6.01 ITEMS FOR THE BOARD'S INFORMATION AND REVIEW

- **Deputy Superintendent's Update:**
  - Mrs. Lofton wanted to publicly thank Dr. Goodney and Gale Marsh for their service with over a combined twenty plus years in contributing to the growth of the ESC of Central Ohio.
  - The ESC responded to an RFP released by DEW for Regional Instruction Implementation Coordinators. If awarded we would be responsible for a 12-county area to guide implementation of high-quality literacy and math instruction.
  - The High School Tech Internship is growing with 65 students placed this summer.
  - The ESC-COG ended this school year with over 4000 active subs and there have been 820 sub renewals for next year as of the date of this meeting.
  - The ESC Office of Workforce Development in partnership with the Columbus Chamber of Commerce hosted with the Careers2Classrooms Bootcamp. We had 48 teachers participate which allowed them to learn about a wide variety of careers available to their students and learn graduate credit from Ashland University. This was the first year we doubled the number of spots and there was still a wait list for the program.
- **Treasurer's Update:**
  - Mr. Weaver informed the board that Workers Compensation and Unemployment are running higher than normal.
  - Huntington Bank bounced an ESC-COG tax payment. Huntington sent a certified letter to the IRS explaining that it was not the action of the ESC-COG that resulted in the error and requested that all fees be waived. If not waived by the IRS, Huntington will need to pay the fees to the IRS on behalf of the ESC-COG.
