School Year 2026-2027 rev. 8.26.26

What is Title I?

Title I is a federal program that provides additional funding to schools to help all students succeed and receive a high-quality education. The goal of Title I is to ensure that every child has the support they need to meet state academic standards and achieve academic success.

Wolf Creek Elementary receives Title I funding and follows the requirements of the **Every Student Succeeds Act (ESSA)**. As part of this program, the school works together with parents and families to create, review, and share a **Parent and Family Engagement Plan**. This plan outlines how the school and families will partner to support student learning and achievement throughout the school year.

What is the School, Parent, and Family Engagement Plan?

The School, Parent, and Family Engagement Plan is a plan that describes how Wolf Creek Elementary will provide opportunities to improve parent and family engagement to support student learning. Wolf Creek Elementary values the contributions and involvement of parents and families in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways Wolf Creek Elementary will support parental/family engagement and how parents/families can help plan and participate in activities and events to promote student learning at school and at home.

How is it developed and revised?

This plan will be reviewed and revised annually. The review will be held in the spring of each year for the upcoming school year. Parents, families, students, teachers, and community members are encouraged to participate in this annual

revision. Each school served under this part shall involve parents, in an organized, ongoing, and timely way, in planning, review and improvement of programs, and the joint development of the schoolwide program. If the schoolwide program plan is not satisfactory to the parent of participating children, the school will submit comments on the plan which the school makes the plan available in the local educational agency or district. If parents feel this plan is not satisfactory, the school will submit comments to the district. Parent input will continue to be gathered throughout the school year through sources such as comment cards available at the various school activities, a suggestion box located in the front office area, and feedback forms found on the school website. A link to the school's Title 1 survey was placed on the school's website. Hard copies were also available in the front lobby and distributed at Family Engagement activities and events. Parents and guardians can request regular meetings and are encouraged to communicate regularly with school staff.

Who is it for?

All Wolf Creek Elementary School students participate in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Wolf Creek Elementary will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

Communication is essential for the success of all Wolf Creek students. The plan is distributed to all parents and families through the school website, as well as in the Parent Resource Room, and the front office.

Title I information may be distributed by flyers, in newsletters, by via School Messenger, on the website, and via Class Dojo,

Parent Engagement Activities

Wolf Creek Elementary School's School, Parent, and Family Engagement Plan is designed to foster learning as a family unit. Parents, families, and teachers have opportunities to provide suggestions for workshops/activities that are designed to meet the needs of the students. The intent is for this to be a living document that will be reviewed and revised annually based on the feedback from teachers, parents/families, students, and community members. Feedback is welcomed throughout the year. Our goal is to meet the growing/changing needs of our school population.
