Since retiring in 2020, Dr. Schoen has proudly served as Interim Superintendent for the Fort Lee School District (PK-12), the West Orange School District (PK-12) and most recently for the Upper Saddle River School District (PK-8).

She is well-versed in curriculum development, finance, leadership, and facilities. Her commitment to the education and the social development of children spanned 37 years where she enthusiastically served as an elementary and middle school teacher, vice principal, principal, assistant superintendent and as superintendent of schools. Her personal commitment to learning did not end after receiving her Doctorate in Educational Administration from Seton Hall University, as shortly afterwards she became an adjunct professor at Seton Hall University teaching courses in the same leadership program from which she graduated.

In 2015, Dr. Schoen was chosen as the Northern Regional Superintendent of the Year— a recognition she is most proud of as she was chosen for this award by her peers. She served as President of the Bergen County Association of School Administrators and has been active in the NJASA. Dr. Schoen co-chaired the NJASA Spring Leadership Conference Committee from 2011-2019.
