What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan Focus on student learning skills
- Describe how teachers will help students
- develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of Hollis Hand Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

If you would like to volunteer, participate and/ or observe in the classroom, please contact our Family Liaison, Donna Haralson, at haralsondm@troup.org

Building Partnerships

Anytime parents visit HHES- from luncheons to academic workshops-our partnership is strengthened.
Please check the student handbook, website, and/or Social Media for scheduled events.
If you would like to volunteer or mentor at the school, please let us know.

Communication about Student Learning

HHES is committed to frequent two-way communication with families about student's learning. Some of the ways you can expect us to reach you are:

» Weekly homework folders
» Email or phone calls
» Updates on the school website and current grades in Infinite Campus.
» Conferences on student progress
» Home visits

Do you have questions about your child's progress?

Our Goals for Student Achievement

District Goals

The Board of Education sets goals for the entire district. The district goals for 2026-2027 are:

Goal 1: Strengthen High-Quality Instruction and Student Achievement

Goal 2: Foster a Supportive, Engaging, and Future-Ready Learning Environment

School Goals

In Kindergarten our school will focus on the following areas:

By the end of Kindergarten, 90% will know all letters and sounds.

By the end of Kindergarten, 80% will be on grade level or above.

When teachers, students and families work together, we CAN achieve our goals!

Teachers, Parents, Students - Together for Success

In the Kindergarten Classroom

The Kindergarten classroom will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

- Teachers will send home UFLI home support sheets.
- Teachers will comunicate the math skill parents can help with at home in the weekly newsletter.
- Teachers will send home a daily folder to communicate needs for parents to sign and return.

At Home

Hollis Hand Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math.

- Parents will practice with their child through the UFLI support sheets.
- Parents will practice math skills at home from ideas sent through newsletters.
- Parents will sign and return folders daily.

HHES Students

Hollis Hand Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school:

- The students will practice weekly UFLI home support sheets.
- The students will work with parents on weekly math skills.
- The studenst will give folders to parents to get signed.

Additional Key Points for Success

1. Go to bed on time.
2. Arrive at school no later than 7:25 each day in order to enjoy breakfast.
3. Come to school prepared.
4. Strive to be at school and on time every day.
5. Good relationship with teachers for open communication.
