What is a School-Parent Compact?

A *School-Parent Compact for Achievement* is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan Focus on student learning skills
- Describe how teachers will help students
- develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students and staff of Hollis Hand Elementary School developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

If you would like to volunteer, participate and/ or observe in the classroom, please contact our Family Liaison, Donna Haralson, at haralsondm@troup.org

Building Partnerships

Anytime parents visit HHES- from luncheons to academic workshops-our partnership is strengthened.
Please check the student handbook, website, and/or Social Media for scheduled events.
If you would like to volunteer or mentor at the school, please let us know.

Communication about Student Learning

HHES is committed to frequent two-way communication with families about student's learning. Some of the ways you can expect us to reach you are:

» Weekly homework folders
» Email or phone calls
» Updates on the school website and current grades in Infinite Campus.
» Conferences on student progress
» Home visits

Do you have questions about your child's progress?

Contact your child's teacher by phone at 706-883-1580 or e-mail.
E-mail addresses are on the school website at *hollis.troup.org.*

2026-2027 School-ParentCompact for Achievement

Third Grade Focus for Student Success

Revised 08/18/2026

Hollis Hand Elementary School

Our Goals for Student Achievement

District Goals

The Board of Education sets goals for the entire district. The district goals for 2026-2027 are:

Goal 1: Strengthen High-Quality Instruction and Student Achievement

Goal 2: Foster a Supportive, Engaging, and Future-Ready Learning Environment

School Goals

In Third Grade our school will focus on the following areas:

In 3rd grade our school will focus on the following areas:

In the 26-27 school year, 3rd grade students will increase the percentage of student scoring proficient and above from 65% to 75% on the ELA portion of GMAS.

In the 26-27 school year, 3rd grade students will increase the percentage of student scoring proficient and above from 79% to 85% on the Math portion of GMAS

When teachers, students and families work together, we CAN achieve our goals!

Teachers, Parents, Students - Together for Success

In the Third Grade Classroom

The Third Grade classroom will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

Third grade teachers will provide parents with links to reading and math practice sites they can access at home.

Third grade teachers will provide GMAS study guides and extra practice to use at home.

Teachers will include Leader in Me Habits in weekly as available.

At Home

Hollis Hand Elementary School parents joined staff to develop ideas about how families can support students' success in reading and math.

Parents will use the links to reading and math practice sites for extra practice at home, as well as homework and study guides that are sent home.

Parents will use GMAS study guides and extra practice to prepare for GMAS at home.

Parents will review their child's work from Tuesday folders with thier child.

HHES Students

Hollis Hand Elementary School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school:

Students will practice reading and math homework and GMAS sites at home.

Students will prepare for GMAS by following teacher expectations.

Students will get weekly folders signed and share Leader in Me habits they have learned.

Additional Key Points for Success

1. Go to bed on time.
2. Arrive at school no later than 7:25 each day in order to enjoy breakfast.
3. Come to school prepared.
4. Strive to be at school and on time every day.
5. Good relationship with teachers for open communication.
