Holliston, Hopkinton, and Natick*

SCHOOL AND COMMUNITY OVERVIEW

Keefe Regional Technical School is located in Framingham, Massachusetts, a city 18 miles west of Boston. The MetroWest area is composed of residential communities with light industry and high technology, enterprises, and is considered the biggest retail area in New England.

Keefe Regional Technical School is also known as the South Middlesex Regional Vocational Technical School. The regional school district includes five communities with the following populations:

Ashland: 18,600 • Framingham: 72,000 • Holliston: 15,000 • Hopkinton: 19,700 • Natick: 36,500

Each member town has its own high school facility. Students residing in the District have the option to attending Keefe Regional Technical School to pursue career and technical study in addition to traditional academic classwork.

The student body at Keefe is approximately 900 students. The academic curriculum provides a challenging learning environment for students interested in college preparatory, honors courses and Advanced Placement courses. The academic day consists of six 57 minute periods.

The Career and Technical Program component consists of a freshman exploratory year, then three years of preparation in one of the sixteen different career/technical areas. Beginning in the tenth grade, an alternating week schedule of vocational and academic instruction is introduced. Cooperative education training is available to qualified juniors and seniors.

MISSION STATEMENT

Our mission is to challenge students to demonstrate the academic, technical, and interpersonal skills necessary for successful lifelong learning.

ADMINISTRATION

Jonathan Evans	Superintendent Director
Dr. Shannon Snow	Principal
Adrienne Bogusky	Director of Guidance and Admissions
Dr. Rebecca Swasey	Academic Assistant Principal

GRADE POINT AVERAGES

A weighted Grade Point Average will be determined for all Keefe Regional Technical School students, based on a 4.0 scale. The Grade Point Average (GPA) will be based on grades in Academic subjects and Career/Technical courses. Weight shall be given to Advanced Placement courses (+1.0) and honors level courses (+.5) according to the following scale.

GRADE	CP 2/1	H	AP	GRADE	CP 2/1	H	AP	GRADE	CP 2/1	H	AP
94-100	4.0	4.5	5.0	80-83	2.7	3.2	3.7	67-69	1.3	1.8	2.3
90-93	3.7	4.2	4.7	77-79	2.3	2.8	3.3	60-66	1.0	1.5	2.0
87-89	3.3	3.8	4.3	74-76	2.0	2.5	3.0				
84-86	3.0	3.5	4.0	70-73	1.7	2.2	2.7				

LEVELING INFORMATION

Courses at Keefe Tech are offered at the Honors (H), College Prep 1 (C1), and College Prep 2 (C2) levels for freshman and sophomores. In addition to these levels, juniors and seniors may take courses at the Advanced Placement (AP) level. Courses at all levels align with the state curriculum frameworks but differences occur in the pacing, depth of coverage, and independent study required.

GRADUATION REQUIREMENTS

Students must pass a minimum number of full year courses or their equivalency according to the chart listed below:

REQUIRED COURSES	CREDITS	REQUIRED TO PASS
English	5.0	5.0 (4 courses total)
Mathematics	5.0	5.0 (4 courses total)
Science and Technology	5.0	3.0 (3 courses total)
History and Social Sciences	4.0	3.0 (3 courses total)
World Language	Optional	Optional
Career and Technical	21.0	21.0
Physical Education/Health	1.75	.5 (2 years of Phys Ed)
Additional Courses/Electives	7.0	6.0
Total	48.75	43.5

COOPERATIVE EDUCATION

The Cooperative Education Program provides an opportunity for qualified students to participate in paid employment in their career and technical areas of study with area employers. They receive fair and competitive wages and valuable work experience. The employers are expected to grade students based on criteria provided by Keefe Tech. These selected employers become partners in the educational process, by offering expanded learning opportunities in the workplace.

SEAL OF BILITERACY

We are proud to support our students studying world languages in school and those who speak multiple languages at home. To recognize and celebrate this valuable skill set, Keefe Tech is excited to participate in the Massachusetts State Seal of Biliteracy program.

This prestigious award is given to high school upperclassmen who demonstrate proficiency in both English and another language through state-approved assessments. Students who earn the Seal will receive recognition at graduation, and this designation will be added to their transcripts, showcasing their achievement for future opportunities.
