Scholarship Application

Date: _____

This \$1500 scholarship is for students seeking a 4 year degree in the natural resources, environmental conservation or other wildlife related fields. Applications must be postmarked or emailed by the 15th of March to be considered, no exceptions. Only one scholarship is awarded amongst all applicants, regardless of what school district they are from. Recipients will receive funds after their 4 year degree is completed and a transcript has been turned in.
