Effective Teaching and Learning

- At Raul Longoria Elementary, high-quality instruction is delivered across all core content areas, with a strong focus on language arts, mathematics, and science.
- In language arts, teachers implement Blended Learning Reading and High-Quality Instructional Material to increase fluency and comprehension skills.
- In mathematics, instruction is driven by TEKS-aligned, problem-solving-based strategies that encourage conceptual understanding and real-world application while implementing HQIM and Blended Learning.
- In science, students engage in hands-on, inquiry-based learning experiences that promote exploration, discovery, and the development of scientific reasoning.
- Raul Longoria currently offers eleven Dual Language classrooms, which serve English Language Learners (ELLs) at various grade levels: in grades Pre-K3 to 5th grade.
- The mission of our campus is to cultivate a culture of readers and learners among both students and staff. To support this mission, we are expanding classroom libraries to inspire a love of reading and providing targeted professional development and instructional materials to enhance Reading and Writing.

Summary of Goals:

At Raul Longoria, our goals are centered around academic excellence, equity, and whole-child development. We are committed to the following targets for the academic year.

- **Increase Student Achievement:**
Improve mastery of grade-level TEKS through data-driven, TEKS-aligned instruction. Our goal is to increase the percentage of students performing at the *Meets* or *Masters* level on STAAR by 5–10% across all subject areas and student subgroups.
- **Early Literacy and Numeracy (Grades K–2):**
Achieve a 5–10% increase in the number of students performing in Tier 1 on the I-Ready Reading and Math assessments.

Comprehensive Needs Assessment

EFFECTIVE TEACHING AND LEARNING

GOAL AREA 1: EFFECTIVE TEACHING AND LEARNING**Areas Reviewed: Student Performance****Strengths**

Raul Longoria Elementary provides the teachers with a standards-aligned Guaranteed and Viable Curriculum and scope and sequence. The district curriculum is developed and adjusted after the district content-based assessments and benchmark data are analyzed. The development and adjustment of the district curriculum is led by the Curriculum & Instruction Department, and includes teachers, district content coordinators, and district Executive Officers for each level. The district also provides teachers and campus leaders access to assessments aligned to the standards and expected levels of rigor. A data assessment platform to capture immediate assessment data by item and student is inclusive as part of the curriculum practices and curriculum implementation. In addition:

- Curriculums and assessments are aligned to Texas Essential Knowledge and Skills (TEKS) and included in a year-long scope and sequence. After each assessment, campus and district staff conduct data review sessions and adjustments are immediately made to the scope and sequence and resources are evaluated.
- The scope and sequence, units of study, and assessments are aligned to the standards for all state assessed subjects and grade levels in grades Pk-2nd, 3rd-5th, middle and high school.
- Assessments that are aligned to state standards at the appropriate level of rigor are administered strategically throughout the year to determine student progress. Corrective instruction is built into the curriculums and scope and sequence.
- Instructional materials with key ideas, essential questions, and recommended materials including content-rich texts, are used across classrooms. The instructional materials include resources intentionally designed to meet the needs of students with disabilities and English learners among other student groups.
- Professional development is provided throughout the year in response to classroom observations, formative assessments and campus performance.

Challenges

The area of literacy, specifically in reading comprehension and writing, has been a challenge district-wide and great emphasis and resources are being dedicated to this area of need. Additionally, the 2026 STAAR Performance results indicate academic gaps in mathematics.

- The All-Student Group in ELA/Reading at Meets Grade Level Standard or Above was at 62%.
- High Focus Student Group in ELA/Reading at Meets Grade Level Standard or Above was at 61%.
- Emergent Bilingual Student Group in ELA/Reading at Meets Grade Level Standard or Above was at 42%.
- Special Education (Current) Student Group in ELA/Reading at Meets Grade Level Standard or Above was at 48%.
- Student reading on level by third grade is an area that we as campus continue to work on and monitor.
- Cross curricular writing must be done at all grade levels
- Professional development for teaching writing must be provided at all grade levels.
- The All-Student Group in Mathematics at Meets Grade Level Standard or Above was at 57%.
- High Focus Student Group in Mathematics at Meets Grade Level Standard or Above was at 56% points.
- Emergent Bilingual Student Group in Mathematics at Meets Grade Level Standard or Above was at 48%.
- Special Education (Current) Student Group in Mathematics at Meets Grade Level Standard or Above was at 44%.
- Elementary Reading, Writing and Mathematics curriculums will be monitored for alignment and effectiveness.

Goal Area 1: Effective Teaching and Learning

Annual Goal 1: Student Achievement

By the end of the current academic year, student achievement will improve from an average score of 85 (a B grade) to 90, demonstrating a 5% increase. This improvement will be measured through standardized assessments and report card grades, supported by targeted interventions such as tutoring and curriculum adjustments to ensure the goal is achievable and relevant to our mission of raising academic standards

OJECTIVE 1: The percentage of all students that score meets grade level or above on STAAR combined Reading, Mathematics and Science will increase from 59% in June 2026 to 62% by June 2027.

Strategy 1: Weekly lesson internalization sessions will be organized and assigned to teachers to ensure consistent preparation

Timeline: September 2026 – May 2027

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL, Reading Coach

Action Steps:

- **Develop and Share a Weekly Schedule:**
Create a consistent calendar of internalization sessions and distribute it to all teachers at the beginning of each week.
- **Assign Roles and Materials in Advance:**
Ensure each teacher receives their assigned lesson plans and guiding materials at least 48 hours before the session to allow for adequate preparation.
- **Facilitate Collaborative Planning and Feedback:**
Use each session to collaboratively walk through lesson objectives, anticipate student misunderstandings, and provide space for peer feedback and refinement

Strategy 2: Campus Leadership Teams will monitor the implementation of the curriculum at each campus through teamed-up walkthroughs.

Timeline: September 2026 – May 2027

Title I School Components: Title I - IV, State Bilingual Funds, State Comp.

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL

Action Steps:

- **Create a Walkthrough Schedule and Rotation Plan:**
Develop a weekly or bi-weekly calendar that ensures all instructional areas are observed regularly, with leadership team members rotating to provide diverse perspectives.
- **Use a Standardized Walkthrough Tool:**
Implement a consistent observation form aligned to curriculum expectations (e.g., lesson objectives, instructional strategies, student engagement) to collect meaningful data.
- **Debrief and Provide Timely Feedback:**
After each walkthrough, hold brief debrief sessions to identify trends and immediately share actionable feedback with teachers to support instructional improvement.

Annual Goal 1: Student Achievement

OBJECTIVE 2: To implement targeted, data-driven instruction and interventions in Reading and Math that support individual student growth and ensure that at least 80% of 4th and 5th grade students demonstrate measurable academic progress on the STAAR, as defined by the student progress domain.

Strategy 1: Monitor all students' progress on a biweekly basis in the areas of Reading and Math

Timeline: September 2026 – May 2027

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL

Action Steps:

- **Data-Driven Small Group Instruction:**

Teachers will implement targeted small group instruction in Reading and Math at least 3 times per week, using formative assessment and progress monitoring data to address specific student learning needs.

- **Tiered Intervention Implementation:**

All students performing below grade level will receive Tier 2 or Tier 3 interventions through RTI (Response to Intervention) systems, with progress monitored biweekly and adjustments made as needed.

- **Ongoing Teacher Collaboration and Planning:**

Grade-level teams will engage in weekly TCLCs (Teacher Collaborative Learning Communities) to analyze student data, plan differentiated instruction and align lessons to TEKS and STAAR readiness standards.

Timeline: September 2026 – May 2027

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL

Action Steps:

- Set individual academic progress goals for every student, using STAAR progress targets as benchmarks.
- Teach students to track their own progress using data folders, goal sheets, or reflection journals.
- Hold regular student-teacher conferences to discuss growth and adjust learning strategies.

Timeline: September 2026 – May 2027

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL, Reading Coach

Action Steps:

- **Implement Tiered Literacy Instruction Using Small Group Rotations:**
Use diagnostic assessments to group students based on specific literacy skill gaps (phonemic awareness, letter recognition, etc.).
- **Develop and Schedule Daily Small Group Rotations:**
Plan engaging, skill-focused lessons aligned to Kinder Readiness standards.
- **Monitor Progress and Document Growth:**
Maintain a data tracker to record student performance and instructional focus.

Annual Goal 2: Early Childhood

OBJECTIVE 2: By the end of the school year, **80% of early childhood students** will demonstrate growth in foundational reading fluency skills — including **letter naming, phonological awareness, and oral language expression** — as measured by developmentally appropriate assessments.

Strategy 1: Implement Daily Phonological Awareness Activities

Timeline: September 2026 – May 2027

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL, Reading Coach

Action Steps:

- **Plan Weekly Skill Focus and Daily Mini-Lessons:**

Use consistent routines (e.g., “sound of the day,” chant, or interactive chart) to reinforce repetition.

- **Integrate Spiral Review into Daily Literacy Routines:**

Use a skill progression chart to guide instruction and ensure students revisit and build on prior knowledge.

- **Reinforce Skills Across Centers and Small Groups:**

Design literacy centers and small group activities that match the weekly skill focus using hands-on materials (e.g., picture sorts, matching cards, letter tiles).

STUDENT SUPPORT

GOAL AREA 2:**Goal Area 2: Student Supports****Strengths**

Raul Longoria Elementary provides a variety of student supports designed to address individual academic needs and ensure students have access to standards-aligned instruction. The district provides campuses with a Guaranteed and Viable Curriculum, aligned scope and sequence, standards-based assessments, and data systems that allow teachers and campus leaders to identify student needs and provide timely support. Student performance data is analyzed regularly to determine appropriate interventions, instructional adjustments, and additional supports.

In addition:

- Student assessment data is reviewed by teachers and campus leaders to identify students who require additional academic support, enrichment, or intervention.
- Corrective instruction and targeted interventions are incorporated into the curriculum and scope and sequence to address identified learning gaps.
- Instructional materials include resources intentionally designed to support students with disabilities, Emergent Bilingual students, and other identified student groups.
- Teachers use formative assessments and ongoing progress monitoring to adjust instruction and provide additional support based on individual student needs.
- Campus and district data review sessions provide opportunities to identify achievement gaps among student groups and develop targeted responses.
- Professional development is provided throughout the year based on classroom observations, assessment results, and campus performance to strengthen teachers' ability to meet diverse student needs.
- Teachers are provided access to standards-aligned assessments and instructional resources that support differentiated instruction and targeted reteaching.
- Student progress is monitored throughout the year to ensure that interventions and instructional supports are responsive to student performance.
- Collaboration among teachers, campus leaders, district content coordinators, and support staff helps ensure that student needs are identified and addressed in a timely manner.

Challenges

Raul Longoria Elementary continues to work to strengthen student supports, particularly for students who are performing below grade level and for identified student groups. The 2026 STAAR performance results indicate continued academic gaps in literacy and mathematics, demonstrating the need for targeted and sustained interventions.

- Reading on grade level by the end of third grade continues to be an area of focus and requires consistent progress monitoring and early intervention.

- Cross-curricular writing support is needed at all grade levels to strengthen students' ability to communicate their understanding across content areas.
- Professional development focused on effective writing instruction and intervention should continue at all grade levels.
- Mathematics achievement also indicates a need for additional targeted support, with the All-Student Group performing at 57% at Meets Grade Level Standard or Above.
- The Emergent Bilingual Student Group in Mathematics performed at 48%, demonstrating the need for continued language-accessible mathematics instruction and targeted intervention.
- The Special Education (Current) Student Group in Mathematics performed at 44%, emphasizing the need for individualized supports, differentiated instruction, and progress monitoring.
- Elementary Reading, Writing, and Mathematics curricula will continue to be monitored for alignment, effectiveness, and their ability to meet the needs of diverse learners.
- The campus will continue strengthening systems for identifying students in need of intervention, monitoring their progress, and adjusting supports based on student data.

Annual Goal 2: School Progress

By May 2027, Raul Longoria Elementary will increase overall student progress by improving performance among all students.

OBJECTIVE 1: Implement targeted language acquisition for English Learners (ELs), aligned with TELPAS domains and best instructional practices.

Strategy 1: Use Sentence Stems & Frames to Support Academic Language

Timeline: September 2026 – May 2027

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL

Action Steps:

- **Embed Stems in Daily Content Objectives & Tasks:**

Display sentence stems alongside your learning objective or essential question.

- **Use Partner or Group Talk with Scaffolded Prompts:**

During collaborative activities (like Think-Pair-Share or group discussions), assign stems to guide student responses.

- **Create a Classroom Language Wall or Toolkit:**

Build an interactive display or provide student folders with categorized sentence stems (e.g., for compare/contrast, summarize, justify, analyze).

Timeline: September 2026 – May 2027

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL

Action Steps:

- **Pre-Teach Vocabulary with Visual Supports:**
Before introducing new content, select key academic vocabulary and pair each word with a **picture, diagram, or gesture**.
- **Use Realia and Hands-On Materials During Instruction:**
Bring in **real objects** or **manipulatives** related to your lesson (e.g., a thermometer for a science lesson on temperature or fruits/containers for math measurement).
- **Create Visual Word Walls or Interactive Vocabulary Journals:**
Develop a content-based word wall with images, definitions, and translations (if applicable), or have students maintain journals where they draw and describe vocabulary. Include sentence frames for each word (e.g., "A _____ is used to .")

Conversations Timeline: September 2026 – May 2027

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL

Action Steps:

• **Establish and Teach Conversation Norms & Roles:**

Explicitly teach discussion norms (e.g., taking turns, active listening, asking questions) and assign roles like *Speaker, Listener, Questioner, or Recorder.*)

• **Use Sentence Stems and Conversation Prompts:**

Provide students with sentence starters to guide academic discussion.

• **Implement Consistent Routines like Think-Pair-Share or Socratic Circles:**

Build collaborative talk into daily instruction with routines such as:

- Think-Pair-Share: Students think individually, share with a partner, then with the group.
- Socratic Circles: Structured peer-led discussions around a text or topic.

OBJECTIVE 2: Implement individualized intervention plans aligned to each student’s IEP, with quarterly data reviews to adjust instruction and ensure all Special Education students are on track to meet their interim academic growth targets.

Strategy 1: Use Progress Monitoring Tools Aligned to IEP Goals

Timeline: September 2026 – May 2027

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL

Action Steps:

- **Select and Implement Appropriate Tools Based on Goal Type and Skill Area:**
Choose reliable progress monitoring tools that directly align with each student’s IEP goals in areas like reading, math, or writing.
- **Establish a Biweekly or Monthly Progress Monitoring Schedule:**
Follow district schedule for administering short assessments or collecting data samples to help track growth trends, identify areas of concern early, and keep students on track toward their interim goals.
- **Record and Analyze Data to Adjust Instruction as Needed**
Document data in an organized system and review results regularly to inform instructional changes.

Timeline: September 2026 – May 2027

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL

Action Steps:

- **Schedule Quarterly Meetings and Invite Key Stakeholders:**
Set dates at the beginning of the year for data review meetings and invite all relevant staff—Special Education teachers, general education teachers, interventionists, and administrators.
- **Prepare and Share Student Data in Advance:**
Compile progress monitoring data, IEP goal updates, and classroom performance records ahead of the meeting. Use a standardized template for consistency.
- **Develop and Document Action Plans Based on Data:**
During the meeting, identify students who are on track and those needing instructional adjustments. Create specific next steps and assign responsibilities. Instruction is adjusted in a timely, targeted way, and all team members understand their roles in supporting student growth.

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL

Action Steps:

- **Create an Instructional Schedule Based on Student IEP Service Minutes:**
Review each student's IEP to determine required service minutes, then build a weekly schedule that protects time for small groups or 1:1 instruction.
- **Plan and Deliver Targeted Lessons Aligned to IEP Goals:**
Design weekly lessons using research-based strategies and materials that directly address each student's specific academic goals (e.g., phonics for decoding, manipulatives for math)
- **Track Student Participation and Progress After Each Session:**
Use a simple log or digital form to document attendance, instructional focus, student response, and any adjustments made.

LEADERSHIP GROWTH

GOAL AREA 3:

Leadership Growth

Areas Reviewed:

Student Performance

Strengths

- Raul Longoria Elementary demonstrates a strong foundation for leadership growth through the use of data-driven decision-making, collaborative planning, and systems designed to support continuous instructional improvement. Campus leaders work closely with teachers and district staff to monitor student performance, identify areas of need, and adjust instructional practices and resources accordingly.
- Campus leadership benefits from district structures that provide clear expectations, standards-aligned curriculum resources, assessments, and professional learning opportunities. The district Curriculum & Instruction Department supports campus leaders by providing access to data, curriculum guidance, and assessment tools that allow leaders to monitor implementation and make informed decisions.
- Leadership strengths include:
- **Data-Driven Leadership:** Campus leaders participate in data review sessions following assessments and use student performance data to identify instructional priorities, monitor progress, and determine necessary adjustments.
- **Collaborative Leadership:** Leaders work with teachers, district content coordinators, and other stakeholders to analyze data, identify instructional gaps, and develop responsive action plans.
- **Instructional Leadership:** Campus leaders have access to standards-aligned curriculum, scope and sequence documents, assessments, and instructional resources that support consistent implementation across grade levels.
- **Continuous Improvement:** Leadership teams use assessment results, classroom observations, and campus performance data to identify professional development needs and adjust instructional practices.
- **Professional Learning:** Professional development is provided throughout the year based on classroom observations, formative assessment results, and identified campus needs. This provides leaders with opportunities to build teacher capacity and strengthen instructional practices.
- **Systems and Structures:** Established curriculum, assessment, and data-monitoring systems provide leaders with a framework for monitoring student progress and ensuring that instructional decisions are aligned to campus and district goals.

Challenges and Opportunities for Leadership Growth

Although strong systems are in place, leadership growth is needed in the areas of **instructional monitoring, intervention implementation, teacher development, and closing achievement gaps among student groups.**

The continued challenges in literacy, particularly reading comprehension and writing, demonstrate an opportunity for campus leaders to strengthen their role as instructional leaders. Leaders must ensure that professional learning translates into consistent classroom implementation and that teachers receive timely feedback, coaching, and support.

The 2026 STAAR results also indicate academic gaps in mathematics, requiring leaders to increase the frequency and effectiveness of progress monitoring and intervention.

Specific areas for leadership growth include:

Strengthening Instructional Monitoring

Campus leaders should establish a more consistent cycle of classroom observations, feedback, coaching, and follow-up. Leadership walkthroughs should focus on the quality and rigor of instruction, student engagement, differentiation, and alignment to TEKS and campus instructional priorities.

Leadership Growth Priorities

Moving forward, Raul Longoria Elementary should focus leadership development on three key priorities:

1. **Strengthen instructional leadership** through frequent classroom observations, actionable feedback, coaching, and monitoring of instructional implementation.
2. **Strengthen data and intervention leadership** by establishing consistent systems for analyzing student data, identifying students requiring additional support, monitoring interventions, and evaluating their effectiveness.
3. **Strengthen teacher development** by providing job-embedded professional learning in reading comprehension, writing, mathematics, differentiation, and strategies for supporting SPED and Emergent Bilingual students.

Overall, Raul Longoria Elementary has established strong district-supported systems for curriculum, assessment, and professional learning. The next level of leadership growth is to ensure that these systems are implemented with consistency, monitored with fidelity, and translated into measurable student growth. Campus leadership should continue moving from **data awareness to data-driven action**, with a clear emphasis on instructional quality, teacher capacity, intervention effectiveness, and improved outcomes for all student groups.

Goal Area 3: Leadership Growth

Annual Goal 1: All teachers will deliver high quality, engaging lesson maximizing at least 95% of the instruction

OBJECTIVE 1: By the end of each instructional week, 100% of teachers will submit weekly lesson plans that include clear learning objectives, differentiated activities, and aligned formative assessments, ensuring instructional time is purposeful and standards-based.

Strategy 1: Provide a Clear, Streamlined Lesson Plan

FAMILY & COMMUNITY

EMPOWERMENT

GOAL AREA 4:**Family Community****Areas Reviewed:**

Student Performance

Strengths

Raul Longoria Elementary has established systems and resources that provide opportunities for families and the community to support student learning and academic success. The school benefits from district-developed curriculum, assessments, and instructional resources that can serve as a foundation for communicating learning expectations and student progress with families.

The alignment of the curriculum and assessments to the Texas Essential Knowledge and Skills (TEKS) provides a consistent framework for helping families understand grade-level expectations and the academic skills students are expected to master. The year-long scope and sequence, units of study, and assessments provide opportunities for the school to communicate learning priorities and provide families with information about their child's academic progress.

In addition:

- **Communication of Student Progress:** Assessment data provides teachers and campus leaders with timely information about individual student performance. This information can be used to communicate student strengths, areas of need, and next steps with families.
- **Family Support for Learning:** The availability of standards-aligned instructional materials, content-rich texts, essential questions, and other resources creates opportunities for families to reinforce learning at home.
- **Support for Diverse Learners:** Instructional materials include resources designed to support students with disabilities, Emergent Bilingual students, and other student groups. These resources can also help families better understand how to support their child's individual learning needs.
- **Responsive Support:** Data review processes allow the campus to identify students who need additional academic support and provide opportunities for teachers and families to work together to address learning gaps.
- **Professional Development:** Ongoing professional development supports teachers in strengthening instruction and responding to student needs. Improved instructional practices provide a stronger foundation for communicating with families about how they can support learning outside of school.
- **Shared Responsibility:** The existing systems provide a foundation for developing stronger partnerships among the school, families, and community to ensure that students receive consistent academic and social support.

Challenges and Opportunities for Family & Community Growth

Although strong instructional and assessment systems are in place, there is an opportunity to strengthen **family engagement and community partnerships around student achievement**. Academic performance data indicates that families need clear, consistent, and accessible information about student progress and specific ways they can support learning at home.

The district-wide challenges in literacy, particularly reading comprehension and writing, provide an opportunity for the campus to increase family engagement around literacy development. Families can be provided with practical strategies, resources, and activities that encourage reading, writing, vocabulary development, and discussion at home.

Strengthening Family Communication

The campus should continue developing consistent two-way communication systems that allow families to understand their child's academic progress and know how they can help. Communication should be timely, accessible, and provided in families' preferred languages whenever possible.

Families should receive clear information regarding:

- Student academic strengths and areas for growth.
- Grade-level expectations and learning targets.
- Progress toward STAAR and classroom expectations.
- Available Tier 2 and Tier 3 interventions.
- Strategies and resources for supporting reading, writing, and mathematics at home.
- Opportunities for families to communicate concerns and provide feedback.

Increasing Family Engagement in Literacy

The significant challenges in reading comprehension and writing create an opportunity for the campus to develop family literacy initiatives. Family workshops, take-home literacy resources, reading challenges, and parent education sessions could provide families with practical strategies for supporting literacy development.

Particular attention should be given to families of students receiving Special Education and Emergent Bilingual services so that parents understand available supports and how they can reinforce learning at home.

Strengthening Community Partnerships

Raul Longoria Elementary can continue expanding partnerships with local organizations, businesses, community leaders, and service providers to provide additional resources and opportunities for students and families.

Community partnerships could support:

- Academic tutoring and mentoring.
- Family literacy and mathematics programs.
- College and career awareness.
- Student enrichment opportunities.
- Family resource services.
- Technology and instructional resources.
- Parent education and leadership opportunities.

Increasing Engagement of Families of High-Need Students

The performance gaps among SPED and Emergent Bilingual students demonstrate a need for intentional family engagement. Families should be active partners in understanding intervention plans, monitoring progress, and identifying strategies that support student success.

Family & Community Growth Priorities

Moving forward, Raul Longoria Elementary should focus on three key priorities:

1. **Strengthen two-way family communication** by providing families with timely, accessible information about student progress, academic expectations, interventions, and ways to support learning at home.
2. **Increase meaningful family engagement** through literacy, writing, and mathematics workshops, family learning activities, and resources specifically designed to address identified student needs.
3. **Expand community partnerships** to provide additional academic, social, and family resources that support student achievement and address barriers to learning.

Overall, Raul Longoria Elementary has strong academic systems and resources that can serve as a foundation for deeper family and community engagement. The next level of growth is to ensure that families are not simply informed about student performance but are **active partners in the learning process**. By strengthening two-way communication, providing families with practical academic resources, and developing meaningful community partnerships, the campus can create a stronger network of support around every student.

Goal Area 4: Family Community

Annual Goal 1: Family involvement and interaction with their child’s school will increase by 30%.

OBJECTIVE 1: Use events as consistent touchpoints to bring families into the school environment, foster trust, build relationships, and promote student success.

Strategy 1: Create predictable, themed monthly events that foster ongoing engagement and a sense of community.

Timeline: September 2026 – May 2027

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: School administration, Content teachers, Counselor, Parental director, Parental educator, Community engagement recruiters

Action Steps:

- **Design a monthly calendar:**
Create a consistent calendar of events sessions and distribute it to all parents at the beginning of each month. (e.g., Literacy Night, Telpas Night, Curriculum Night)
- **Collaboration with Staff and Community Partners:**
Form a planning team that includes teachers, administrators, and community members to coordinate event logistics and content.
- **Promote Events and Encourage Participation:**
Send consistent reminders before each event using multilingual communication and offer incentives such as student performances, light refreshments, or raffles to increase attendance.

	2026-2027 Parent & Family Engagement (PFE) Program
What is it?	Raul Longoria is committed to our vision: At Raul Longoria Elementary, we inspire a generation of innovative thinkers, problem-solvers, and lifelong learners who are prepared to lead, achieve, and make a positive impact on the world. As a member of the PSJA Family, we are committed to providing every student with a high-quality education that meets their individual needs. We believe that strong partnerships among the school, families, and the community are essential to student success. Title I, Part A State Program provides funding for low socioeconomic schools. This allows us to meet the expectations provided to us by the Texas Education Agency and the United States Department of Education.
Funding	Title I, Part A funds are used to support meaningful parent and family engagement activities that strengthen the partnership between home and school and improve student academic achievement. Programs, activities, and procedures are planned and implemented through meaningful consultation with parents of participating students.
Review	This Parent & Family Engagement Policy has been jointly developed with and agreed upon by parents in accordance with Every Student Succeeds Act (ESSA), Section 1116. The policy is reviewed annually with parents to evaluate its effectiveness and to make revisions based on parent feedback, campus needs, and student achievement data.
Distribution of Policy	This Parent & Family Engagement Policy is reviewed annually with parents and distributed to families at the beginning of each school year. To ensure all families have access to the information, the policy is made available through multiple methods, including: • The campus and/or district website • Student registration • Beginning-of-the-year events (Meet the Teacher/Open House) • Annual Title I Meetings • Parent-Teacher Conferences • Email and other electronic communication platforms • Printed copies available upon request through the campus office This policy is also available in Spanish and, to the extent practicable, in a language that parents can understand.
Family Meetings	In addition to Title I meetings, campuses conduct family meetings on a variety of topics that provide families with information, resources, and opportunities to actively participate in their child's education while strengthening the partnership between home and school. These meetings offer families an opportunity to communicate and collaborate with the school, ensuring that essential information is shared and that parents feel valued as partners in their child's education. Parent meetings take place monthly. In August, campus staff meet with parent educators and parent volunteers to discuss the importance of the family unit and review Title I requirements. During this time, teachers and staff are educated on the value

	and utility of parent and family contributions, and on how to effectively reach out to, communicate with, and collaborate with families as equal partners. In September, each campus must hold two Title I Meetings on different days and times. Campus administrators and Parent Educators work collaboratively to plan and implement the Annual Title I Meetings. The principal or principal's designee leads the required Title I information, while the Parent Educator assists with coordination, parent outreach, logistics, and documentation. In the spring semester, parents come together to provide feedback on the Campus Parent and Family Engagement Policy. In addition to this policy, meetings are also held throughout the year to review and update the School–Parent Compact and the Campus Improvement Plan. It is essential that a committee of parents, parent educators, and administrators plan, develop, evaluate, and revise Title I documentation consistently throughout the year to ensure compliance and meaningful family engagement.
Ways Parents and Families Can Get Involved	Parents and family members are encouraged to become active partners in their child's education by volunteering, participating in campus events, attending trainings, and serving on campus committees. Parents interested in volunteering may complete the required volunteer forms and attend a volunteer orientation. They, along with parents who are not volunteers, are invited to participate in family trainings, activities, and campus events throughout the school year. A variety of communication methods are used to invite families to meetings and activities, including, but not limited to, • personal phone calls • ClassDojo • Mass Messenger • personal invitations • email • the campus website • social media • other campus communication platforms. • Parents are encouraged to actively participate in the planning, review, and continuous improvement of the • Campus Parent & Family Engagement Policy • School-Parent Compact, the Campus Improvement Plan • other Title I programs • Parent input is valued and carefully considered when making decisions that support student achievement, strengthen family partnerships, and improve campus programs. If the Campus Improvement Plan is not satisfactory to parents, parent comments will be documented and submitted to the district when the plan is provided, in accordance with the Every Student Succeeds Act (ESSA).

Family Trainings/ Activities	Family engagement trainings provide parents and family members with opportunities to gain knowledge, develop new skills, and access valuable resources that support student learning both at home and at school. Participation in these trainings and school events empowers families to support their children’s learning at home, strengthen relationships with the school community, and become active partners in their child’s academic and social success. • Meet the Teacher Night/Open House at Elementary (August 2026 and March 2027} • Parent-Teacher Conferences (All Grade Levels-August 2026-May 2027) • Literacy Family Night (September 2026) • Curriculum Meeting (September 2026) • Halloween Trunk/Treat Family Night (October 2026) • Red Ribbon Parade (October 2026) • National Parent Involvement Day (November 2026) • Cafe Sessions with Counselors (September 2026-May 2027) • Christmas Posada Family Event (December 2026} • Title I Campus Meetings (September 2026) • Campus Policy Campus Meetings (November 2026) • Campus Compact Meetings (February 2027) • Campus Plan Feedback Meetings (April 2027} • Attendance Monthly Meetings (September 2026 – May 2027) • Curriculum Meetings (February 2027) • TELPAS Meeting (February 2027} • STAAR Meeting (March 2027)

Forms of Academic Assessments	At Raul Longoria, all students participate in common formative assessments aligned to the TEKS Resource System to ensure consistency in instruction and academic expectations across the campus. These assessments help teachers monitor student progress and guide instructional decisions throughout the school year. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculum.			
Expected Achievement levels on academic assessments	The State’s Performance Standards can be found on this website: https://tea.texas.gov/studentassessment/testing/staar/staarperformance-standards Raul Longoria tracks each child’s growth throughout the year via local assessments (mentioned above). Each child has a folder where teachers help them track their own learning growth.			
Ways to Request regular meetings	Raul Longoria values open communication and welcomes every family as an important partner in their child's education. Parents and guardians are encouraged to share suggestions, ideas, questions, and concerns during monthly parent meetings or by scheduling an individual conference with a teacher or campus administrator. Meetings may be requested by visiting the campus, calling the school, or contacting staff by email. Raul Longoria welcomes any ideas, feedback and/or concerns; we value each family in our school district.			
Additional Parent Support	Raul Longoria values the input of every parent and family. In addition to the Parent & Family Engagement activities described in this policy, the campus will provide other reasonable support for parent and family engagement activities, as requested by parents, to the extent practicable and consistent with available resources. Requests for additional parent and family engagement support will be reviewed collaboratively by campus administration and the Parent Educator to determine appropriate assistance that strengthens family engagement and supports student success.

2026-2027 Programa de Participación de Padres y Familias (PFE)

¿Qué es?	Raul Longoria está comprometida con nuestra visión: (ESCRIBA AQUÍ LA VISIÓN DE SU ESCUELA). Como parte de la familia de PSJA, nos esforzamos por brindar una educación de alta calidad, adaptada a las necesidades individuales de cada estudiante, mediante el desarrollo y fortalecimiento de relaciones positivas con las familias y la comunidad. El programa estatal Título I, Parte A proporciona fondos a las escuelas con un alto porcentaje de estudiantes en situación de desventaja económica. Estos fondos permiten que nuestra escuela cumpla con las expectativas establecidas por la Agencia de Educación de Texas (TEA) y el Departamento de Educación de los Estados Unidos, al mismo tiempo que fortalece la participación de las familias para apoyar el éxito académico de todos los estudiantes.
Fondos	Los fondos de Título I serán destinados al programa de Participación de los Padres y las Familias. Los programas, actividades y procedimientos relacionados con la participación familiar serán planificados e implementados en colaboración significativa con los padres de los estudiantes participantes.
Revisión	Esta Política de Participación de los Padres y las Familias ha sido desarrollada conjuntamente con los padres y aprobada por ellos, de conformidad con la Ley Cada Estudiante Triunfa (Every Student Succeeds Act - ESSA), Sección 1116. La política será revisada cada año junto con los padres para evaluar su eficacia y realizar las modificaciones necesarias con base en: • Los comentarios y sugerencias de los padres. • Las necesidades del plantel. • Los datos del rendimiento académico de los estudiantes.
Distribución de la Política	Esta Política de Participación de los Padres y las Familias se revisa anualmente con los padres y se distribuye a las familias al inicio de cada ciclo escolar. Para garantizar que todas las familias tengan acceso a esta información, la política estará disponible a través de diversos medios, entre ellos: • Sitio web del plantel y/o del distrito • Registro e inscripción de estudiantes • Eventos de inicio del ciclo escolar (Conozca al Maestro / Casa Abierta) • Reuniones Anuales de Título I • Conferencias entre Padres y Maestros • Correo electrónico y otras plataformas de comunicación electrónica • Copias impresas disponibles en la oficina del plantel cuando sean solicitadas Esta política también estará disponible en español y, en la medida de lo posible, en un idioma que los padres puedan comprender.

Reuniones de Familias	Además de las reuniones de Título I, los planteles llevan a cabo reuniones familiares sobre diversos temas con el propósito de apoyar, informar y fortalecer a las familias, brindándoles información valiosa y promoviendo una mayor participación en la educación de sus hijos. Estas reuniones ofrecen a las familias la oportunidad de comunicarse y colaborar con la escuela, asegurando que la información importante sea compartida y que los padres sean reconocidos como socios fundamentales en la educación de sus hijos. Las reuniones para padres se llevan a cabo mensualmente. Durante el mes de agosto, el personal del plantel se reúne con el Educador(a) de Padres y los padres voluntarios para dialogar sobre la importancia de la familia y revisar los requisitos de Título I. En este mismo periodo, los maestros y el personal reciben información sobre la importancia de las contribuciones de los padres y las familias, así como estrategias para comunicarse y colaborar eficazmente con ellos como socios en la educación de sus hijos. En septiembre, cada plantel deberá realizar dos Reuniones Anuales de Título I, programadas en diferentes días y horarios. Los administradores del plantel y el Educador(a) de Padres trabajan en conjunto para planificar y llevar a cabo estas reuniones. El director o la persona designada por el director presentará la información requerida de Título I, mientras que el Educador(a) de Padres apoyará en la coordinación, invitación a los padres, organización, logística y documentación correspondiente.
Cómo Participar	Se invita a los padres de familia a participar como padres voluntarios completando la solicitud correspondiente y asistiendo a una orientación para voluntarios. Tanto los padres voluntarios como aquellos que no participan en el programa de voluntariado son invitados a formar parte de las capacitaciones para familias, actividades y eventos escolares que se llevan a cabo durante todo el ciclo escolar. Para mantener informadas a las familias e invitarlas a participar, el plantel utiliza diversos medios de comunicación, entre ellos: • Llamadas telefónicas personales • ClassDojo • Mass Messenger • Invitaciones personales • Correo electrónico • Sitio web del plantel • Redes sociales • Otras plataformas de comunicación utilizadas por la escuela Se anima a los padres a participar activamente en la planeación, revisión y mejora continua de: • La Política de Participación de los Padres y las Familias del plantel. • El Acuerdo entre la Escuela y los Padres. • El Plan de Mejoramiento Escolar. • Otros programas de Título I. La opinión de los padres es valorada y tomada en cuenta al tomar decisiones que apoyan el aprovechamiento académico de los estudiantes y fortalecen la colaboración entre la escuela y las familias. Si el Plan de Mejoramiento Escolar no es satisfactorio para los padres, sus comentarios serán documentados y enviados al distrito junto con el plan, de conformidad con la Ley Cada Estudiante Triunfa (ESSA).

Entrenamientos/ Actividades Para Familias	Mantenga solo aquellas que aplican a su plantel, elimine las que no correspondan e incluya actividades adicionales que involucren a los padres o a la comunidad. Las capacitaciones para las familias brindan oportunidades para que los padres y otros miembros de la familia adquieran nuevos conocimientos y habilidades con el apoyo de educadores, líderes comunitarios y otros padres. La participación en estas capacitaciones y eventos escolares fortalece la capacidad de las familias para apoyar el aprendizaje de sus hijos en casa, fomenta relaciones positivas con la escuela y promueve una participación activa en el éxito académico y social de los estudiantes. Ejemplos de actividades • Noche para Conocer al Maestro / Casa Abierta en escuelas primarias (agosto de 2026 y marzo de 2027). • Conferencias entre Padres y Maestros (todos los niveles escolares, de agosto de 2026 a mayo de 2027). • Cursos de alfabetización para adultos, incluyendo: ○ Computación ○ Ciudadanía (septiembre de 2026 a mayo de 2027). • Cursos de capacitación laboral para padres, como: ○ Soldadura ○ Montacargas ○ Flebotomía ○ RCP (CPR) ○ HVAC ○ Curso para Sustitutos ○ Entre otros. • Noche Cultural Familiar (septiembre de 2026). • Evento Familiar de Halloween (Trunk or Treat) (octubre de 2026). • Desfile del Listón Rojo (octubre de 2026). • Exposición Distrital de Programas (octubre de 2026). • Día Nacional de la Participación de los Padres (noviembre de 2026). • Cafecitos con los Consejeros Escolares (septiembre de 2026 a mayo de 2027). • Posada Navideña Familiar (diciembre de 2026). • Reuniones del Consejo Consultivo del Distrito para Oficiales de Padres de todos los planteles (octubre y diciembre de 2026, y marzo de 2027). • Reuniones de Título I del Plantel (septiembre de 2026). • Reuniones para Revisar la Política del Plantel (noviembre de 2026). • Reuniones para Revisar el Acuerdo entre la Escuela y los Padres (febrero de 2027). • Reuniones para Recibir Comentarios sobre el Plan del Plantel (abril de 2027). • Reuniones sobre Asistencia Escolar (octubre de 2026). • Reuniones sobre el Currículo (diciembre de 2026). • Reuniones para Comprender las Evaluaciones Académicas (enero de 2027)

Currículo	Estos son ejemplos de los programas de estudio implementados en todo el distrito. Mantenga solo los que apliquen a su plantel, elimine los que no correspondan e incluya programas o iniciativas adicionales específicas de su escuela. (NOMBRE DE LA ESCUELA) utiliza planes de estudio de alta calidad que apoyan el éxito estudiantil, como el Sistema de Recursos TEKS Ejemplos de programas curriculares • TEKS (Texas Essential Knowledge and Skills) Resource System • Summit K-12 Science • AVID XL • Beanstack • Vocaroo • I-Ready • Blended Learning • Bluebonnet • iXL
Formas de Evaluación Académica	Raul Longoria Todos los estudiantes participan en evaluaciones formativas comunes alineadas con el Sistema de Recursos TEKS para garantizar la consistencia en la enseñanza y en las expectativas académicas en todo el plantel. Estas evaluaciones ayudan a los maestros a monitorear el progreso académico de los estudiantes y a orientar las decisiones de instrucción durante todo el ciclo escolar. Además, las evaluaciones STAAR publicadas por el estado se utilizan como herramientas para la evaluación y la enseñanza, junto con otros recursos curriculares implementados por el plantel.
Niveles de Logro Esperado en las evaluaciones académicas	Los Estándares de Desempeño del Estado se pueden consultar en el sitio web oficial: https://tea.texas.gov/studentassessment/testing/staar/staarperformance-standards Raul Longoria da seguimiento al progreso académico de cada estudiante durante todo el ciclo escolar mediante las evaluaciones locales descritas anteriormente. Cada estudiante cuenta con un registro de progreso académico que le permite, junto con sus maestros, monitorear su crecimiento y reconocer sus avances a lo largo del año escolar.
Formas de solicitar reuniones periódicas	Nuestra escuela da la bienvenida a todas las familias. Los padres, madres y tutores pueden compartir sugerencias, ideas o inquietudes durante las reuniones mensuales para padres. Si algún padre, madre o tutor desea reunirse con un administrador o con el maestro de su hijo en otro momento, puede visitar el plantel, llamar por teléfono o comunicarse por correo electrónico para programar una cita. Raul Longoria valora las ideas, opiniones y preocupaciones de cada familia. Su participación es importante y contribuye al éxito de nuestros estudiantes.

Apoyo Adicional para los Padres y las Familias	Raul Longoria reconoce y valora la participación de todos los padres y las familias. Además de las actividades de Participación de los Padres y las Familias descritas en esta política, el plantel proporcionará otro apoyo razonable para fomentar la participación familiar cuando así lo soliciten los padres, siempre que sea posible y de acuerdo con los recursos disponibles. Las solicitudes serán revisadas de manera colaborativa por la administración del plantel y el Educador(a) de Padres, con el propósito de brindar apoyo que fortalezca la colaboración entre la escuela y las familias y contribuya al éxito académico de los estudiantes.
