Our Mission

Our mission is to create prepared, confident citizens of the world who honor the values of Pace Academy.

Core Values

- We create success through partnership with parents, students and faculty.
- We are dedicated to developing the whole child.
- We have respect for each other and our ideas, beliefs and diverse cultural backgrounds.
- We think critically, embrace curiosity and develop global mindsets.

Global Leadership

At the heart of the Pace Academy mission is a commitment to create prepared, confident citizens of the world. The Isdell Center for Global Leadership spearheads this educational endeavor by providing students from Pre-First through 12th grade with wide-ranging curricular and co-curricular opportunities to explore, understand and engage in our globalized world. In addition to international study tours, available to students in all three divisions, every student explores an annual global theme through multiple disciplinary lenses. This theme-based approach gives students the opportunity to tackle real-world issues while developing global-mindedness, cultural competence, international expertise and leadership skills.

Mike Gannon Head of Upper School
michael.gannon@paceacademy.org | 404-240-9104

The Grading System

The Pace Academy transcript uses an unweighted numeric grading scale for academic courses. Grade Point Average is reported on a 100-point scale with a weight of 7 for Advanced Placement courses and post-AP courses, 5 for Honors courses and 2 for all other college-preparatory courses. A year-by-year and a cumulative weighted GPA are provided on the transcript for each student. Due to the small size of our senior classes, Pace does not provide a class rank.

Graduation Requirements

Pace Academy requires 46 total units of credit for its diploma—42 of which must be academic, four of which may be satisfied with academic or non-academic electives. In addition, students must satisfy a non-unit physical education requirement (either by participating in an interscholastic athletics team or in an after-school P.E. class), as well as a non-unit service requirement of 40 hours of community service. A normal schedule consists of six classes per semester. Students receive one unit of credit for each semester of study.

Accreditations

- Southern Association of Colleges and Schools (SACS)
- Southern Association of Independent Schools (SAIS)

COLLEGE BOARD/SAT CODE: 110-217
