Charlotte-Mecklenburg Board of Education approves charter for Superintendent Search Committee at tonight's meeting

Charlotte, N.C. – The Charlotte-Mecklenburg Board of Education approved the charter for the Superintendent Search Committee at tonight's special meeting of the Board of Education. This first step enables the board to move forward in finding the next leader of Charlotte-Mecklenburg Schools.

The committee will be responsible for procedural tasks such as developing the search timeline and establishing a process for gathering stakeholder input. The full board will ask the community to help inform the selection process.

"Our community's voice will help shape the future of our district," said Chair Gregory 'Dee' Rankin. "We want students, families, staff and community members to help us identify a leader who reflects our shared values and our aspirations for every child."
