Further, the Superintendent shall provide recommendation(s) and/or information as to each of the items of business considered at each meeting as needed or requested by the Board.

- ii. During Contract.** The Superintendent also agrees that, during the term of this Contract, the Superintendent will notify the Board, in writing, of any arrest, indictment, conviction, no contest, guilty plea, probation, deferred adjudication, or other adjudication of the Superintendent for any felony, any offense involving moral turpitude, and any of the other offenses as indicated in Policy

Any salary increase shall be reflected in a new contract or amendment incorporating the adjusted salary.

5. MISCELLANEOUS BENEFITS

A. General Benefits. In addition to the benefits expressly set forth below, the District shall provide other benefits to the Superintendent as provided by state law and Board policies. The Board reserves the right to amend its policies at any time during the term of this Contract to reduce or increase such other benefits, at the Board's sole discretion. In general, such other benefits provided to the Superintendent will be consistent with those provided to every other full-time employee in the District.

The policy shall provide disability income of two-thirds (2/3) of the Superintendent's then current annual salary to the Superintendent or the Superintendent's spouse in the event the Superintendent becomes disabled or incapacitated during the term of this Contract. Amounts paid by the District towards long-term disability insurance shall be reported by the District as taxable income as required by federal law.

D. Vacation Days and Holidays. The Superintendent shall receive the same number of paid vacation days as other 12-month administrators, in accordance with Board Policy and administrative regulations, the days to be in a single period or at different times. The Superintendent may accrue unused vacation days up to a maximum of thirty (30) days. At the sole option of the Superintendent, at retirement or when the Contract is terminated by resignation, the District shall pay in a lump sum to the Superintendent up to thirty (30) accrued vacation days granted under this section, at the Superintendent's daily rate of pay as of the payment date. The Superintendent's daily rate of pay shall be calculated by dividing her base salary as set out in section 4.A by 226 duty days. The Superintendent shall observe the same holidays and breaks as provided for other 12-month administrators in the Board's adopted annual Calendar. The Superintendent shall schedule vacation and leave days with prior written notice to the Board President (or, in the Board President's absence, the presiding officer) and at times that will least interfere with the performance of the Superintendent's duties.

The Board concludes that such participation will serve a legitimate purpose related to the educational mission of the District. The Superintendent may hold offices or accept responsibilities in these professional organizations, provided that such responsibilities do not interfere with the performance of her duties as Superintendent. Prior to engaging in these activities, the Superintendent will notify the Board in writing of the activity. The Board will notify the Superintendent if the activity presents a conflict or interferes with the performance of her duties as Superintendent. The District shall reimburse the Superintendent for the cost of membership in all local civic organizations in which the Superintendent participates and related travel outside of the District, subject to advance Board approval.

G. Business Expense Reimbursement. The District shall pay or reimburse the Superintendent for reasonable expenses incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract. This supplement shall include both the retirement and TRS-Care parts of the TRS member contribution, as applicable. This additional salary supplement for services rendered shall be paid to the Superintendent in regular monthly payroll installments and shall be reported as "creditable compensation" by the District for purposes of TRS, to the extent permitted by TRS.

The annual physical examination as provided herein, may include laboratory analysis of blood, urine, stress, EKG, psychological evaluation and other procedures as deemed appropriate by the licensed physician. The examination will determine the Superintendent's continuing fitness to fulfill the duties and responsibilities of the position. The health care professional who performs the examination shall submit confidential reports to the Board regarding the Superintendent's fitness to perform the functions of the job. These reports shall be submitted to the Board within thirty (30) days of the physical examination and will be maintained as confidential medical records to the extent permitted by law. The District shall pay all reasonable costs of the examination.

For purposes of this section, Superintendent expressly waives any confidentiality with respect to her healthcare information, such that the health care provider(s) performing the evaluation(s) are able to and shall share their respective findings, opinions, and diagnoses with the Board. Nothing herein allows the Board to disclose confidential information other than as provided by law. The Board's evaluation and assessment of the Superintendent shall be reasonably related to the duties of the Superintendent as outlined in the Superintendent's job description and shall be based on the District's progress towards accomplishing the District Goals. Unless the Superintendent expressly requests otherwise in writing, the evaluation of the Superintendent shall at all times be conducted in closed session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with their respective legal counsel. The evaluation and assessment of performance shall be in accordance with the evaluation instrument selected by the Board in accordance with this Section 8, the Board's policies and state and federal law and shall be related to the duties of the Superintendent as prescribed by law, Board policies and in the Superintendent's job description. In the event the Board deems that the evaluation instrument, format and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, such modifications must be adopted with input from the Superintendent and the Superintendent shall be provided a reasonable period of time to demonstrate such expected performance before being evaluated.
