Mission Statement

James Mastricola Upper Elementary School, a partnership among students, parents, staff, and the Merrimack Community, promotes a positive learning environment that fosters respect, responsibility, and safety. Together, we challenge all to be independent, critical thinkers while becoming educated citizens and lifelong learners. Every day is a fine day for learning at the upper elementary school.

It is the goal of James Mastricola Upper Elementary School to motivate our students to want to read, write, listen, speak, understand mathematical processes, and solve math problems. It is our commitment to help encourage all students to develop the necessary skills to be confident and independent lifelong learners.

Principal: Dr. Nicole Rheault

Assistant Principal: Meaghan Fowler

TITLE 1

School Parent Student Compact

James Mastricola Upper Elementary School

2026-2027

We, at James Mastricola Upper Elementary School, will:

Provide high quality curriculum and instruction in a positive, supportive, and effective learning environment.

Hold high expectations for all students academically and behaviorally.

Encourage all students to develop the necessary skills to be confident and independent lifelong learners.

Keep parents informed of their child's progress through a variety of means including conferences, phone calls, notes, and progress reports.

Share information about math and language arts standards, as well as suggest activities which parents and children can do together at home to support learning.

Explain to parents their child's Title I services, the parent involvement policy and this compact.

Notify parents of upcoming events and encourage their participation.

Facilitate a positive partnership to help students reach their maximum potential.

Tutor(s)

_____

_____

As a James Mastricola Upper Elementary parent, I will:

Develop and foster respect for the school community and a positive attitude toward education in my child.

Ensure that my child attends school regularly and establish a set routine for homework.

Keep the lines of communication open between home and school by attending conferences with the classroom teacher and the Title I Tutor, calling or writing notes if concerns arise about my child or instruction, and attending school-sponsored events.

Review and discuss each report card with my child.

Make sure that my child completes all assigned homework offering help as appropriate.

Help my child use time wisely to enable a balance between school and extracurricular activities.

Read with my child and encourage independent reading for enjoyment.

Help my child develop math fact fluency and strategies to solve problems.

Parent(s)

_____

_____

_____

_____

As a James Mastricola Upper Elementary student who participates in the Title I Program:

I will respect myself, my family, and my school.

I will come to school every day ready to learn.

I will read and write daily to the best of my ability.

I will use math to solve everyday problems and practice math fact fluency daily to the best of my ability.

I will be a good listener

I will take pride in doing my schoolwork and homework every day.

I will set learning goals and try to reach them.

I will ask questions when I do not understand something.

I will share my ideas with my classmates, my teachers, and my parents.

I will talk to my parents about school, learning, and the things that make me feel proud.
