2026-2027 School Profile

CEEB Code: 050385

The Community: Burbank is composed of a middle and working class population of 102,092. Currently, the district consists of 11 Elementary schools, 3 middle schools, 2 comprehensive high schools, 1 continuation high school, and 1 online academy.

The School: Burbank High School is a public, four year high school for grades 9-12. Founded in 1908, Burbank High School is located on the northeast corner of the San Fernando Valley.

Accreditation: Burbank High School is accredited by the **Western Association of Schools and Colleges** and holds membership in the **College Board**.

Curriculum: Burbank High School offers a strong college preparatory program, which includes a number of Honors and Advanced Placement courses. The school also provides a vast array of UC approved courses, allowing its students to meet UC "A-G" requirements and compete for college admission within California and beyond. In addition, the school community offers Career and Technical Education programs and a wide range of extracurricular activities. In the past students were able to take up to 7

classes, but this year due to limited class offerings, students are only able to take 6 classes.

Student Body: the 2026-2027 enrollment is approximately 2147 students, 484 of those students make up the senior class. The high school is made up of a large variety of ethnic groups. It is noteworthy that 10% of our Senior Class is classified as ELL.

Class Rank: Each senior class at Burbank High School is ranked by their academic GAP. For the fall semester, rank is calculated using grades earned freshman through junior year, weighing all AP classes and selected honors classes. The rank is then recalculated in January, including grades from the Fall semester for final ranking.

Transcript Information: "P" denotes courses certified by the University of California. "H" denotes honors course. "AP" denotes Advanced Placement courses. "+" denotes weighted grades. "*" denotes non-academic courses. Students are expected to take the AP exam if in an AP course. Academic GPA excludes PE classes. Total GPA includes PE classes. Graduates met all state requirements.
