October Edition

September Recap

September was a fun and busy month at Kid's Zone! We kicked off our first early release day with a carnival, giving the kids a chance to enjoy games, face painting, and lots of fun together.

We also got creative by making apple pie scented play-doh, which was a fun hands on activity that brought a little taste of fall to our program!

It's been a wonderful start to the school year, and we're looking forward to all the fun and learning still to come!

Jr. Counselors

Solomon E. Skylar H. Addie S.
Charli C. Kobi H. Carrie W.

We're excited to introduce our Jr. Counselors! These students are stepping into a special leadership role in Kid's Zone. They'll be helping staff with activities, encouraging younger students, and being positive role models throughout their 5th grade year.

We're proud of them for taking on this responsibility and look forward to watching their confidence and leadership skills grow!

Hi everyone!

My name is Ms. Zofia, and I'm excited to introduce myself as the Kellybrook Kid's Zone Manager while Ms. Katlyn is away on maternity leave.

I'm looking forward to getting to know your children and families and helping make KZ a place where every child feels welcomed and included. I truly enjoy getting to know each child's unique personality, interests, and strengths. Although we'll miss Ms. Katlyn, I'm excited for this opportunity and look forward to making some great memories with the children while she's away.

Please feel free to come talk to me if you have any questions, concerns, or just want to say hello!
