September 27, 2026

As we wrap up September, I want to extend a heartfelt thank you to all the parents and guardians who joined us for parent-teacher conferences. Your partnership and involvement make a world of difference in your child's success. Throughout this month, our students did a wonderful job exploring our monthly theme of Respect and learning what it means to honor themselves and others. Heading into October, we are will observe Bully Prevention Month,. We will build on that foundation by placing a special emphasis on Kindness through daily practices and school wide activities. To see what your students have been working on in the classroom and to explore ways to reinforce their learning at home, please check out the attached math and content newsletters.
