OCTOBER 2026

What We Learned

Welcome back to the 2026–2027 school year! The students have been excited and on their best behavior returning to school. We especially want to welcome the 5th grade class to our middle school family. This year's class is one of the largest in recent years, and it appears we will see continued high enrollment based on numbers at Sheckler Elementary School.

The students have settled in during the first full month of the school year and are familiar with our daily expectations and routines. As a reminder, students are not allowed on campus before 7:45 AM each morning.

As we enter October and the weather turns colder, please make sure to label your child's jackets and hoodies. Each year, we have hundreds of unclaimed sweatshirts, coats, and jackets in our lost and found closet.
