DISCOVER. PLAN. LAUNCH.

SIGN IN WITH YOUR LEARN ACCOUNT (GOOGLE)

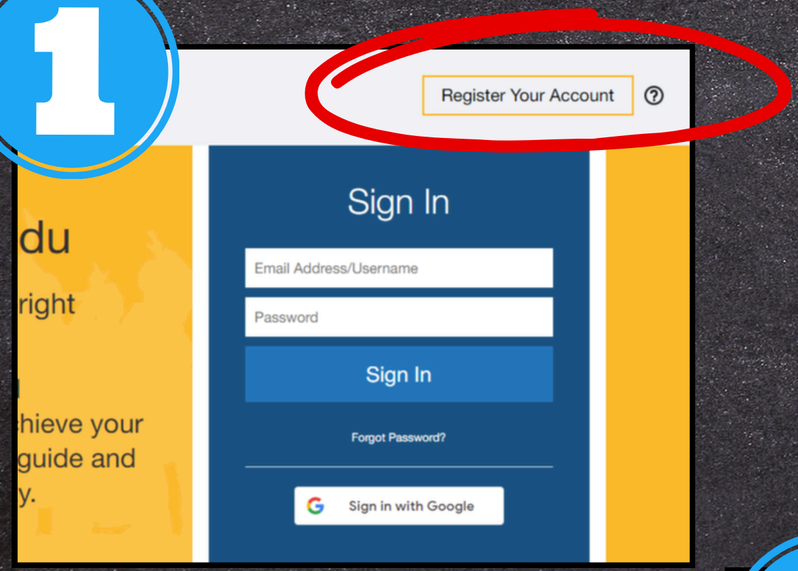

*Make sure to sign into Classlink and click on google apps for education.

You must be signed in to do the assessment.

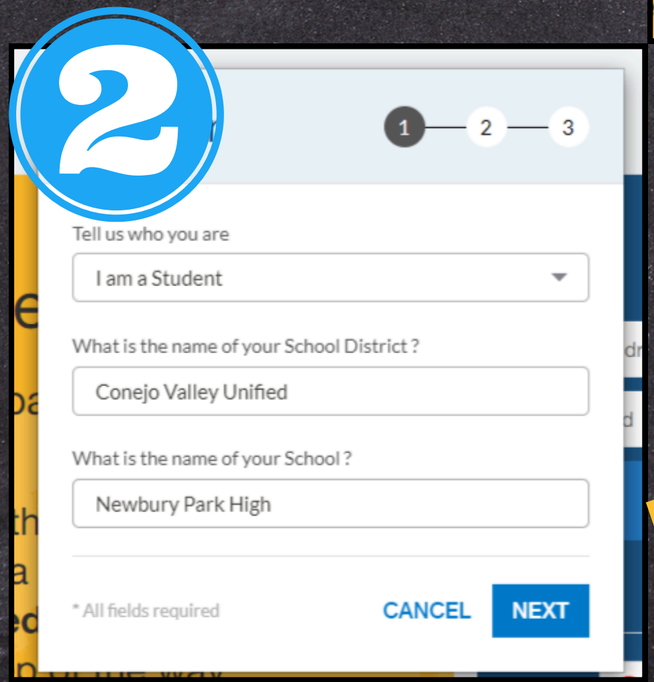

If you have not registered, follow these directions

1

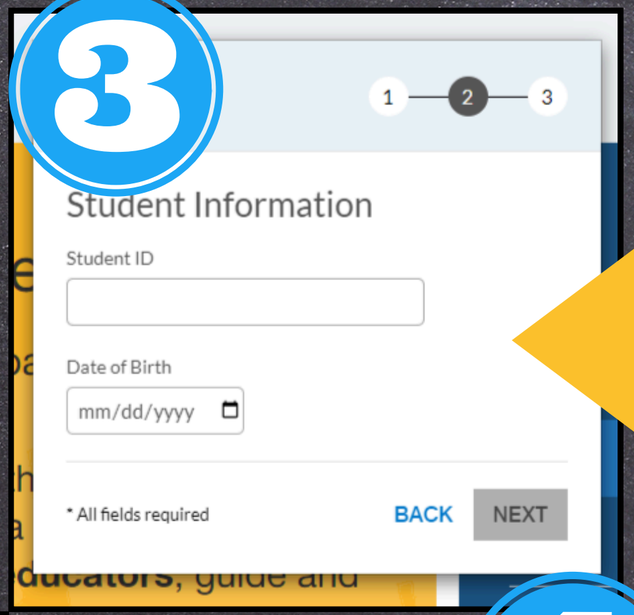

californiacolleges.edu

2

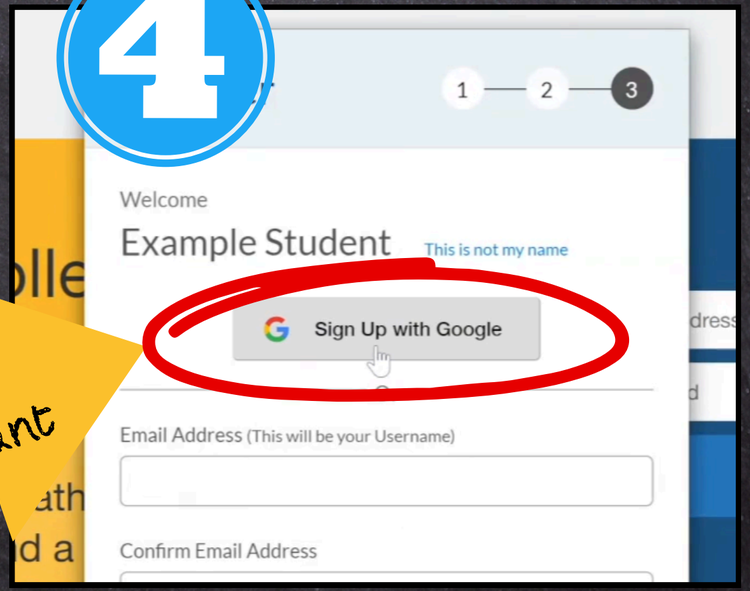

3

Enter your Student ID and DOB

4

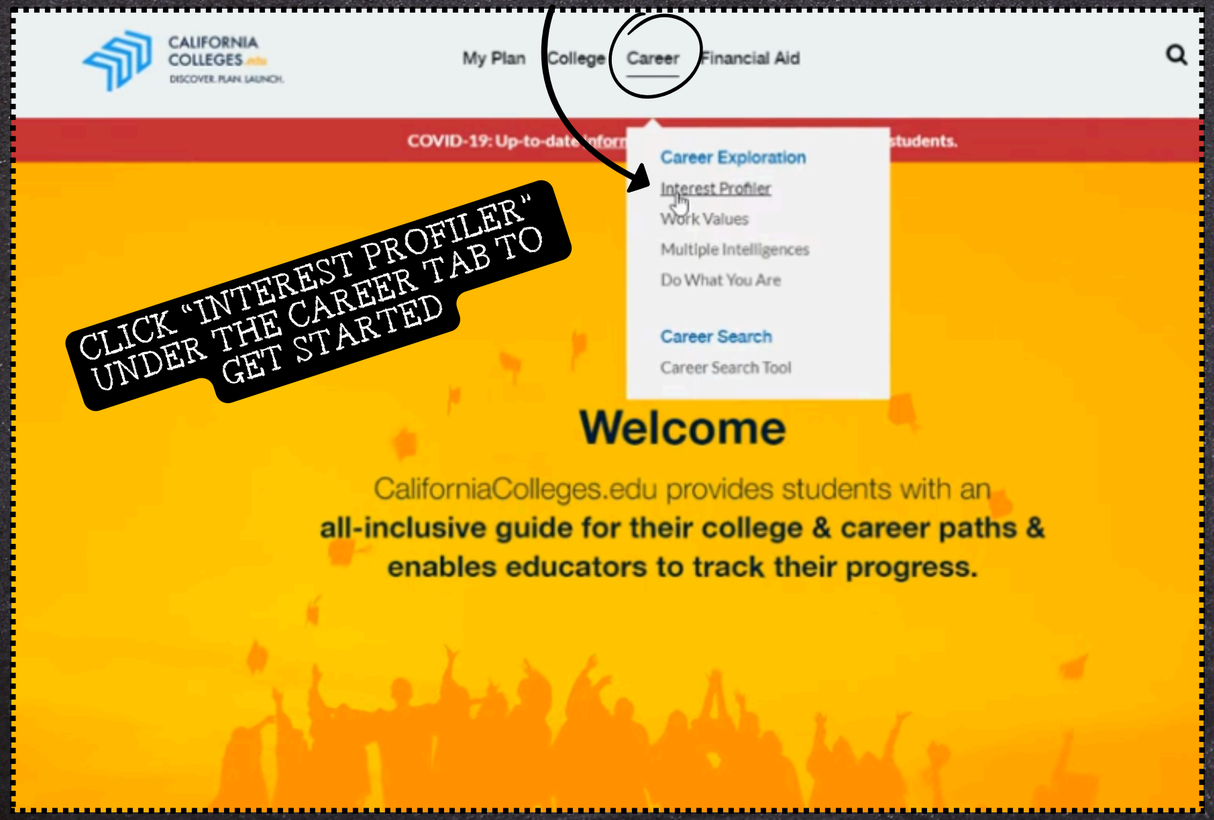

Use your LEARN account

WE WILL COMPLETE THE INTEREST PROFILER!

THE INTEREST PROFILER IS A CAREER ASSESSMENT TOOL THAT ASKS YOU TO THINK ABOUT YOUR INTERESTS IN SEVERAL CAREER-BASED TASKS.

BASED ON YOUR RESPONSES, YOU ARE MATCHED WITH UP TO 6 INTEREST AREAS, AS WELL AS SEVERAL CAREERS.

ASSESSMENT WILL TAKE APPROXIMATELY 10 MINUTES

See how Your Interests

MATCH CAREERS

1 Decide how much you'd like or dislike each task

2 Review a profile of your interests based on your responses

3 Explore careers that match your interests

AUTO TECHNOLOGY

Ventura County Career Education Center – Office of Education

This course introduces the careers and skills in automotive maintenance and repair. Topics covered include basic engine principles, suspension, steering, brakes, and more. Students learn how to change engine oil and complete basic automotive inspections and preventative maintenance procedures. This class may include an opportunity for an internship in an automotive repair shop where students will learn in the shop environment. There is potential for students to be hired from their internships upon completion of the class. Upon successful program completion students will receive an ROP Certificate of Proficiency.

CLASS DATES & TIMES

MEDICAL ASSISTANT: CEC

Ventura County Career Education Center – Office of Education

The Medical Assistant program will prepare students to perform both administrative and clinical duties. These include using electronic health records, answering telephones, welcoming patients, updating and filing patient medical records, scheduling appointments, handling correspondence and billing. Students will be trained to record vital signs, prepare patients for procedures, assist physicians with exams and treatment, administer medication (including vaccines), perform routine laboratory procedures and ECGs. Students also will learn about the legal, ethical and safety issues related to working in a healthcare environment. Students who successfully complete theory and clinical skills, interview process and instructor recommendation may be eligible for internships, subject to availability. This course prepares students to take a state Medical Assisting Certification examination, which is optional and not a part of the course. Upon successful program completion students will receive an ROP Certificate of Proficiency.

CLASS DATES & TIMES

Day	Start	Length	End	Time
M/W	8/7/23	Year	6/5/24	2:30 - 6:30 PM
