

Chelwood 90-Day Plan

90-day plan ELA - 100% of all teachers will use the CER model to give students daily opportunities to create expanded-thought or constructed responses through pictorial representations, hands-on manipulation, and written and/or oral expression, measured by lesson plans, collaboration time, walkthroughs, student work/data, and teacher surveys.

90-day plan Math - 100% of all teachers will provide daily opportunities and expectations for students to explain their thinking using multiple strategies (pictorial, hands-on, written, and/or oral), as measured by lesson plans, collaboration time, walkthroughs, student work/data, and teacher surveys.
