A TRADITION OF GIVING

For 175 years, SEM has been a leader in girls' education. The generous support of our alumnae, families, friends, faculty, staff, and trustees is one of SEM's most important traditions – and a clear reflection that our girls **lead with honor, courage, confidence, and compassion.**

When you give to SEM, you can be sure your contribution will make a difference in the quality of each girl's SEM experience. Each gift helps us maintain the excellence of our academic and extracurricular programs, as well as the breadth and depth of our school community. Each gift also helps sustain the school's most beloved traditions, while supporting our ability to evolve in ways relevant and important to our mission.

The **Annual Fund** is crucial for the success of SEM, bridging the gap between tuition and operational expenses. It is the lifeblood that enables us to run the school each year. This past year, the tuition gap was just under \$6,000 per student. Funding this gap helps ensure that girls from all socioeconomic backgrounds can afford their education. Funding this gap allows us to ensure that every girl who is accepted, regardless of her socioeconomic background, can complete her high school journey at Buffalo Seminary.

Reunion Club Giving is a SEM tradition of going above and beyond when celebrating class reunions every five years. In fact, many alumnae are proud to join the Reunion Club by giving an additional 50%-100% above their typical annual gift. Each year, alumnae celebrating reunion years have a tremendous impact on the Annual Fund.

Endowed Support is critical for the long-term viability of Buffalo Seminary. An endowed gift is invested and grows over time, while SEM uses the investment income to support student scholarships, building maintenance, equipment replacement, or any other project that requires long-term funding. Endowed gifts allow donors to support SEM in perpetuity.

SEM established the **Elm Legacy Society** to recognize and celebrate individuals who have named SEM as a beneficiary in their future giving plans. Planned giving is one of the best ways to provide a legacy to benefit future generations of SEM students, SEM faculty, and to help maintain the quality of the school's programs and learning environments.

Some donors prefer to make a huge impact by covering half or all of a student's tuition at SEM through **Current Use Scholarships**. These generous donors agree to provide the same level of support to their student(s) throughout their career at SEM. A current use scholarship helps girls achieve their full potential at SEM and provides donors a unique opportunity to see their gifts' impact in real-time.

CREATE YOUR LEGACY

Since the very beginning, the vision of Buffalo Seminary has been to empower young women by providing an excellent learning environment. Planned gifts from SEM's graduates and friends continue to provide the financial support to realize this vision.

2025-26 LIFE & HONORARY TRUSTEE INDUCTEES

Life Trustee

Helen Ladds Marlette

We are honored to recognize Helen Ladds Marlette as a Life Trustee of Buffalo Seminary. Helen devoted seventeen years of distinguished service to SEM, the last eight as Head of School from 2016 to 2024. During her tenure, she guided the school with vision, wisdom, a disarming sense of fun, and unwavering dedication – the culmination of a career in independent school education that spans more than four decades. Before becoming Head of School, Helen served SEM in numerous leadership roles, including Assistant Head of School, Dean of Students, Director of Athletics, history faculty member, coach, and leader of the school's admissions and development efforts.

Helen's impact on Buffalo Seminary is both broad and enduring. As a member of the senior leadership team and later as Head of School, she helped strengthen enrollment, deepen SEM's ties to the Buffalo community, advance strategic planning initiatives, and steward the school through periods of both opportunity and challenge. With a deep understanding of every aspect of school life, from academics and athletics to student life and institutional advancement, she embodied the core aspirations of SEM's mission – that young women be empowered to live and lead with honor, courage, confidence, and compassion.

Helen's genuine commitment to every student, teacher, and staff member; her collaborative approach to finding creative solutions; and her irrepressible optimism and sense of humor -- let SEM weather the pandemic like no other school community. Beyond her accomplishments, Helen is admired for her unflappable, can-do resilience, and confident humility. A proud alumna of Nichols School and Middlebury College, an accomplished educator and coach, and an active leader in Western New York's civic and educational communities, she has enriched countless lives through her service.

Together with her husband, Peter, and their family, including daughter Liza, Class of 2013, Helen has been a cherished member of the SEM community. We are grateful for her extraordinary leadership, her many contributions to Buffalo Seminary, and the lasting legacy, including the Herbert and Dolly Ladds Family Fund, that she leaves for those who tread SEM's long wide hallways for generations to come.

2025-26 LIFE & HONORARY TRUSTEE INDUCTEES

Honorary Trustee

Elizabeth (Bitsy) Mackenzie '74

Ever since her time as a stalwart field hockey goalie (1970-1974), Bitsy has championed SEM athletics. As most SEM graduates, Bitsy pursued interests beyond SEM and Buffalo. Yet, on an autumn day several years ago, the SEM magnet drew her to Larkin Field to catch a bit of a field hockey game. With that, a new passion took hold. Bitsy met parents, their daughters, and their teachers. She recalls the friendliness with which they welcomed her as they cheered on their student-athletes. Bitsy's curiosity quickly spread to SEM lacrosse. And since that fateful day at Larkin Field, she has attended nearly every field hockey and lacrosse game – home and away, regular season and playoff. When she spotted aging equipment, she quietly and “anonymously” gifted new pieces to enhance the appearance and function of Larkin Field for our student-athletes (sorry Bitsy, you've been found out!)

With time, Bitsy learned that the passion and enthusiasm of parents, teachers, and students radiated from SEM itself. She attended additional events and discovered a school that had evolved in exciting ways. She saw a community engaged in a style of teaching and learning that encouraged curiosity, collaboration, confidence, and purpose. It was a community in which teachers, staff, and students respected and cared for one another. She wished she could be a SEM student today, and she thought of girls who would thrive in a setting such as SEM's, yet for whom SEM was inaccessible.

Well known as an ardent fan of SEM athletics, less well known is Bitsy's commitment to make SEM a more socioeconomically egalitarian school. Through her membership in the Elm Society and targeted support of tuition assistance, the burden will be eased for many students who, not only will thrive at SEM and enrich the SEM community, but will also contribute to a more caring, verdant and just world. Bitsy's experience, her rediscovery and embrace of SEM, is a splendid example of SEM's resonance across life experiences.
