

Ellie Nelson

Hi everyone!! My name is Ellie Nelson and I would LOVE to be your PFP :)) I have always wanted to be a part of PFP ever since my freshman year because I know how hard it can be to navigate high school. Now that I've been here for three years, I would love to use my experiences to help you feel more comfortable and at ease at a new school. I'm so excited to get to know you and to talk about anything and everything!! A little bit about me, I have been a part of theater, hockey, softball, acapella, volleyball, and campus ministry during my four years here. I love hanging out with my friends, going to the movies, singing, and being outside. Most importantly, I want to be here for YOU and support you through everything high school throws at you. High school can be an incredible experience if you take advantage of all the opportunities and do what truly makes you happy. I can't wait to meet all of you!
