

Have you heard about Miller Career & Technology Center?

MCTC serves as a central site for Career & Technical Education (CTE) courses not offered at the student's home campus. Our innovative courses are available to juniors and seniors in Katy ISD and provide them the opportunity to explore and gain exposure to potential post-secondary options or career experiences.

Courses Offered

- Architectural Design
- Automotive Technology
- Cisco Network Engineering
- Clinical Rotations
- Commercial Driver License
- Computer Technician
- Construction Trades
- Cosmetology
- Culinary Arts
- Cyber Security
- Dental Assisting
- Digital Audio
- Education & Training
- Emergency Medical Technician
- Law Enforcement
- Legal Studies
- Manufacturing Engineering
- Pharmacy Tech
- Practicum in Engineering
- Underground Utilities
- Veterinary Science
- Water Operations Licensing

Participate in the MCTC Fall Family Experience!

If you are a Katy ISD student currently in 7th-11th grade, MCTC is offering a chance to visit our campus after school hours on select dates in November. Participants will have an opportunity to see our industry level lab spaces and equipment. Scan the QR Code for more information including how to sign up!

**Due to limited spots we ask that you please bring no more than 2 guests per student.*
