

COBRA COURIER

Hello, Cobra Families:

Cobra Country was so excited to meet you during our Open House in September. Thank you for your presence. The event was a great success and provided an opportunity for our teachers and staff members to meet so many of our newest families. We thank our Striking Cobra Band Drum Line and Sideline Cheer Team for creating an upbeat, welcoming atmosphere as everyone entered campus. Teachers appreciated the opportunity to share their curriculum information and to meet you.

We encourage you to be active participants in your children's education and school activities. Please check SIS (the District's School Information System) and your child's Google Classrooms to stay informed of academics, grades, and pertinent classroom information.

The Park Vista Administration is continuing its regular dialoguing with various student leadership groups on campus this year. Our student leaders are instrumental in building and sustaining a positive school culture that supports their cognitive and social needs. Our Student Government Association just hosted a District conference at our school and is busy planning amazing Homecoming activities. In addition, our Latinos in Action students have several events planned for Hispanic Heritage Month, which is celebrated from September 15 through October 15, 2026.

Our student and employee attendance during the opening weeks of school has shown some improvement. Please help me emphasize the importance of "showing up" by encouraging and praising our Cobras to do so.

Thank you for your continued support of our school. Together We Will!

Educationally yours,
Dr. Enrique Vela
Principal

The poster features a vibrant illustration of a Halloween Trunk-or-Treat event. In the center, a blue car's trunk is open, displaying a variety of candies, including boxes of Snickers and Twix, and several jack-o'-lanterns. A banner hanging inside the trunk reads "PARK VISTA". Below the trunk, a sign says "HALLOWEEN CREEPY CREW!". Several children in costumes are gathered around the car: a girl in a purple witch costume, a boy in a Superman costume, a child in a skeleton costume, a girl in a pink dress, a boy in a pirate costume, and a boy in a vampire costume. In the background, other decorated cars and more children are visible. The entire scene is framed by a decorative border of pumpkins, ghosts, and string lights. The background is a dark blue night sky with a crescent moon and stars.

The **Media Center remodel** is underway! Demolition is finished and will begin being painted next week! We are hoping to open before Spring Break, but will keep you posted. We can't wait until you see the **NEW Media Center!**

Park Vista Medical Academy students recently had the opportunity to learn directly from health-care professionals and explore exciting medical careers. Guest speakers from the Bethesda West Respiratory Therapy Department shared insights into respiratory care, patient treatment, and the important role respiratory therapists play as members of the health-care team. Some of our students also attended an engaging lecture on robotic surgery presented by Palm Beach State College and Palms West Hospital. They learned about advances in surgical technology, minimally invasive procedures, and the education and training required for careers in this growing area of health care. These experiences give our students valuable real-world perspectives and help connect classroom learning to the many career opportunities available in the medical field.

Dear Class of 2027 Seniors and Parents,

The countdown to graduation is officially underway! There are several important items that seniors and families need to take care of throughout the year to ensure everything is ready for the big day.

REMINDER

Weapons Are Not Permitted on Campus

The safety and security of our students and staff is our highest priority. To support a safe learning environment, we want to provide a reminder of our School District's policy and state law.

Please remember that state law (§790.115, Fla. Stat.) and District policy (Firearms and Weapons- Policy 2.383) prohibit all weapons, including firearms, on school property at all times. This applies to our campus buildings, personal vehicles, school buses, and any school-sponsored event. With the exception of sworn law enforcement, these rules apply to all visitors, staff, and students.

Our District has a zero-tolerance policy for any threat to school safety, including the possession of any item considered to be a weapon. Any student who violates this policy will face the most severe consequences, including expulsion and potential criminal charges. The School District will also pursue criminal charges against any adult who poses a threat to school safety.

Thank you for your partnership in maintaining a safe school environment.
