LIFE AT CAPE TECH

Wondering what it's like to be a student at Cape Tech? Our students have the same experiences they would at a traditional high school, but with even more hands-on options!

Sports, clubs, homecoming, prom, and more make high school memorable for our students – but we also give students the opportunity to dive into career exploration. At Cape Tech, students learn by doing in the classroom, through internships, and events specific to the careers they are studying.
