

Zine Making

MARATHON COUNTY PUBLIC LIBRARY

WAUSAU HEADQUARTERS | 300 N. FIRST STREET, WAUSAU, WI

October 28–30, 2026

(drop in any time the library is open)

YOUNG ADULTS (12–18) **Make your own zines on these no-school days!** A zine—short for fanzine or magazine—is a DIY publication often made with magazine clippings, art supplies, and other materials, then copied and shared. Zines grew out of fan publications in the 1930s and became more prominent through counterculture movements in the 1970s and beyond. A zine can be whatever you make it! We'll provide recycled magazines, glue sticks, markers, and more in the **young adult area** (first floor).

Free and open to the public. No registration.
