COMMUNITY

Located in a northeastern suburb of Seattle, Washington, Redmond High School is one of four comprehensive high schools in the Lake Washington School District (LWSD), serving the communities of Redmond, Kirkland, and Sammamish. LWSD proudly supports a growing and diverse population of more than 30,500 students across 57 schools. In just five years, the district has grown from the sixth-largest school district in Washington State to the second largest. Redmond, one of Washington's fastest-growing cities, is widely recognized as a global center for technology and innovation and is home to many world-renowned technology, software, and biomedical companies.

CURRICULUM

Redmond High School is a four-year high school with an approximate total enrollment of 2,500 students. A class size limit of 32 exists for most class sections. Students have a number of course levels from which to choose. Students can take advantage of Honors, Advanced Placement, Dual Credit (where a class has been accredited by a local college for both high school and college credit), full or part-time enrollment in Running Start (a dual enrollment program where college courses are taken at local community colleges), and the WANIC Skill Center (which offers year-long, advanced-level Career and Technical Education programs based on rigorous academic and industry standards). Students may enroll in as many AP/Honors classes as their high school schedule will accommodate. While most AP classes are offered every year, several others are typically offered every other year. *Students must complete Washington State History, complete a graduation pathway, and complete their High School and Beyond Plan.*

GRADING

Beginning the 2025-2026 school year, Redmond High School transitioned from a 7-period schedule to a 6-period schedule. One-half credit is granted for satisfactory completion of each semester course. A passing grade is a “D.” Beginning in the year 2020 to current, students who do not pass their class are assigned an "N" (No Credit). Grade Point Average is computed using semester grades for all high school level classes. N (No credit), S (Satisfactory), and P (Pass) marks are excluded from calculation of GPA. W (Withdraw) indicates that the student did not complete the class and is also excluded from GPA calculation. *Redmond High School does not rank students or weight GPA.*
