RATTLER REVIEW

WALK TO SCHOOL DAY

Walk to school day is October 7th. Join Mr. Stewart, Ms. Alessandro, the Valley View staff, and all the walking Rattlers on Walk to School Day. Meet at the turnout at Blackstonte Pkwy and Bridgeford Way at 7:30. Starting at 7:45, we will walk to school! There will be crossing guards at the crosswalks, local CHP to assist, and a walking school bus (adults at the front, middle, and end of all lines). This will be to encourage fitness, health, and wellness, and walking to school. If you want to walk with your child, you can park at our school, walk to the meeting spot, and then walk with us. If you have any questions at all, please email Mr. Stewart or see us in the office.

PRINCIPAL'S CORNER

Hello, Rattlers and Happy October!

It has been wonderful to welcome the crisp fall air and watch the leaves at VVCM turn their beautiful autumn colors. It is also exciting to walk through our classrooms and see how much our Rattlers have already grown academically, socially, and emotionally.

We have a busy and exciting month ahead, and I would like to share a few important highlights with you.

Safety Day – October 6

On October 6, students will participate in three important safety drills: an **earthquake drill, fire drill, and lockdown drill.**

At VVCM, student safety is always our highest priority. Like fire and earthquake drills, lockdown drills help students and staff prepare for the unlikely event of an emergency.

- **Preparedness builds confidence:** When students and staff know what to do, confusion decreases, and everyone stays calm.
- **Safety skills last a lifetime:** Drills provide students with tools to respond appropriately in a variety of emergency situations.
- **Practice builds familiarity:** Rehearsing procedures—such as moving quickly, listening to teachers, and following directions- helps those actions become second nature.
- **Teamwork strengthens safety:** Drills allow staff members to coordinate and ensure our procedures remain effective and up to date.

We always explain drills in an **age-appropriate manner**, so students understand that they are practicing to stay safe and do not need to be afraid. For our **TK–5 students**, we often describe a lockdown using a scenario such as an animal being on campus, making the concept relatable without being frightening. Our **middle school students** receive a more mature explanation that better aligns with their age and understanding.

Walk to School Day – October 7

This month we will stress the imporance of physical fitness with Walk to School Day!
A huge thank-you to our amazing crossing guards, who not only help keep us safe but also brighten our mornings with their friendly greetings. We are also grateful to the CHP officers who will join us that morning to help ensure a safe and enjoyable event for the entire VVCM community.

PBIS and RISE

RISE is a key component of our PBIS [Positive Behavioral Interventions and Supports] program, which helps us foster a positive, safe, and inclusive school culture. PBIS promotes positive behavior and interactions while helping reduce problem behaviors.

SCHOOL VISION

Valley View Charter Montessori is a community of learners where children can reach their full potential and contribute positively to a global society.

PRINCIPAL'S CORNER CONTINUED

We encourage you to ask your child what RISE stands for—and, more importantly, what each word means. You might be impressed by the answer!

During October, students who come to the office and tell the office staff what RISE stands for will receive a RISE ticket to use in our RISE Store.

Halloween Parade – October 30

We'll end the month with our much-anticipated Halloween Parade!

Please remember that costumes should be fun and school-appropriate. Gory costumes, frightening masks, and items resembling weapons are not permitted. Please refer to the flyer on the following pages for additional information.

Gooooooooooooooooooooooooo Rattlers!

HELP US CELEBRAE OUR STUDENTS

To kick things off this school year, more than **2,200** Buckeye Union students in **grades 3 through 8** (2025-2026) received certificates recognizing growth and achievement on the spring 2026 state assessments (CAASPP) in English language arts, mathematics, and science.

Of those students, **654** earned Scholar recognition for performing in the Advanced range on every test they took at their grade level.

The repayment example set forth above is for illustrative purposes only and was calculated based on a standard amortization Federal Stafford loan assuming a loan amount of $21,900, a payment term of 10 years and a fixed interest rate equal to 8.07%. Loan amount of $21,900 is based on the total tuition price for the Master of Arts in Education Degree for the 2026-2027 school year. Loan amounts and repayment terms vary based on your selected program and other applicable factors. The loan calculator used in this example is available at www.fafsa.gov. It is your responsibility to verify your eligibility by completing the Free Application for Federal Student Aid at www.studentaid.gov. All loans are subject to federal student aid guidelines. The actual interest rate may change periodically based on federal regulations. If you elect to defer payments until graduation, loan interest may accrue during deferment.
