# OUR CURRICULUM

**EVALUATING TRANSCRIPTS:** In the summer of 2025, St. George's elected to provide course levels on the transcript to help college readers efficiently and accurately assess the rigor of a student's curriculum. Course levels are based on an assessment of the course's pace and scope compared to other area high schools, as well as an audit of incoming students' previous coursework and their subsequent placement at SG. Courses are only offered at the Accelerated College Prep, Honors, and High Honors levels, and will be labeled as such in the Common Application and any student-reported forms.

We ask that you utilize our leveling system to assess rigor, rather than simply quantifying the number of higher-level classes a student takes. St. George's has not offered AP courses since 2017. Advanced course offerings meet or exceed the rigor of these curricula. St. George's does not rank students or report GPA, and we do report suspensions of ten days or more to colleges that ask.

## GRADING SYSTEM & ACADEMIC HONORS

**CUM LAUDE SOCIETY:** Awarded to a small number of upperformers who have a high grade point average, have maintained a rigorous course load throughout their time at SG, are of high moral character, and who have been positive contributors to the community.

**TOP SCHOLARS:** Awarded at the opening of the school year to the five students with the highest weighted grade point average in their form for the previous school year. Prior to 2025-2026, the award was given to the students with the highest weighted GPA across the entire school.

**HEAD OF SCHOOL'S COMMENDATION:** Awarded at the end of each term to students who have earned no grade below an A- and have an overall A average with all effort marks of at least "Satisfactory." *Note: Prior to the 2024-2025 school year, the Head of School's Commendation did not require having an overall average of A.*

**HONOR ROLL:** Awarded at the end of each term to students who maintain an average of B or better, and all effort marks must be at least "Satisfactory." *Note: Prior to the 2024-2025 school year, students needed to maintain a B average to be awarded the Honor Roll.*
