GPA and Related Procedures

- Grades and credits are posted at the end of each semester
- Most FUHSD classes are year-long (10 credits total; 5 each semester) and meet for 150 instructional hours
- Coursework from non-accredited or out-of-country schools are transferred as Pass/Fail
- GPA is calculated at the end of each semester (A=4; B=3; C=2; D=1; F=0)
- Final semester grade marks include letter grades only and no +/- scale option
- Three GPAs are identified on the transcript, all unweighted:
 - Cumulative (all grades 9-12)
 - 9-12 Academic courses
 - 10-12 Academic courses
- Students only guaranteed 6 classes per year
- Due to budgetary constraints, students are limited to 1 course per subject area per year

Lynbrook is a comprehensive, 4-year, suburban public school on a modified block schedule, offering a well-rounded educational program to students from West San Jose and a portion of northern Saratoga. The vision of the school is to create a dynamic environment of respect and achievement where all can learn deeply, apply their knowledge and contribute purposefully. Our goal is for students to graduate prepared to succeed in the 21st century with an emphasis in Collaboration, Creative Critical Thinking, Citizenship, and Communication. The Lynbrook Guidance Program consists of four full-time counselors and two part-time College and Career Advisors who engage with students, parents, and staff to deliver a comprehensive guidance program that personalizes the planning and counseling experience based on each student's needs and postsecondary goals.

Curriculum Notes

Lynbrook maintains a broad range of academic and elective course offerings for students. Our business and computer science courses continue to be highly impacted, with many students not able to enroll. AP humanities and AP sciences are open to 11th and 12th grade students only. Students can take either AB Calculus or BC Calculus, but not both courses as a class at Lynbrook. Many Lynbrook students utilize local community colleges and other high school programs for enrichment and most of these courses are not recorded on the Lynbrook High School transcript.
