Dear Mr. Tucker,

This correspondence is in response to the public records request received in our office on Wednesday, April 22, 2026. The request was for the following records:

- Total number of seclusion rooms in the Emmett School District.
- Which schools in the district have seclusion rooms.
- How many times those rooms were used in the last 5 years.
- Official district policy about seclusion rooms.
- Details about the appearance of these rooms

The applicable dates were 2021 - 2026

The Emmett School District does not have any seclusion rooms. One safe room is used in compliance with state law and District Policy {3345}. No public records exist in response to the other requests.

Based on the information provided, we consider this public records request fulfilled. Please let me know if you have any questions.

Sincerely,
