Hello! I am happy to assist you with your request for public records. Fortunately, all of the information you are requesting is already available to the public on our website.

Your request was for:

- Full legal name
- Job title or role
- Current annual salary

This information can be accessed under the Transparency section of our website, on the Contracts page. Please follow the link below. On the Contracts page, you will find all employee information on the right side under:

2025-26 Certified/Admin Contracts
2025-26 Classified Salary Pay
2025-26 Certified/Admin Supplemental Contracts

https://www.emmettschools.org/departments/finance/new-financial/contracts

- Assigned worksite or campus

The assigned workplace for each employee is available on the website in the directory for each of our school buildings. For instance, for Butte View Elementary, navigate to the Butte View Elementary page. In the middle of the page, click on the icon labeled Directory. This will supply a full list of employees at that individual site.

- Official work email address

All employee emails are as follows: first initial + last name@isd221.net. For instance, John Doe would have an email of jdoe@isd221.net

Please let me know if you have any questions. Based on the information provided in this email, we will consider this public records request fulfilled and closed.
