Dear Mr. Wenig,

Your Public Records Request was forwarded to me and received in our office on Monday, March 30, 2006. The requested records have been compiled and attached to this email as requested.

The original request and the fulfillment include the following:

All purchase orders and/or payment records for non-person/vendor entities, such as companies, organizations, or contractors from January 1, 2025 to current date. Records should include, at minimum:

- *Purchase date*
- *Vendor name*
- *Line item description*
- *Line item quantity*
- *Line item Amount*

Please note that this request was directed to an Emmett School District staff member who is not associated with public records requests. Fulfillment of requests can be missed entirely, delayed, or not addressed properly if requests are sent to the incorrect recipient. According to my records, this is the third request that was incorrectly directed. Please update your records accordingly to help us better meet public records requests that come to our district. Requests can be sent directly to me at this email address or to info@isd221.net.

Please consider this response as fulfillment of your Public Records Request. Please let me know if you have any questions or need further assistance.
