Dear Mr. Lair,

This email is in response to the Public Records Request received in our office on September 24, 2025. Please consider this message and the attached documents as the formal fulfillment of your request.

Requested Information:
You requested the following:

> **Any document, resource, model policy, or policy manual consulted in developing the following district policies:*
> • *Policy 2000: Goals*
> • *Policy 2520: Curricular Materials*
> • *Policy 2540: Selection, Adoption, and Removal of Curricular Materials*
> • *Policy 2300: Guidance and Counseling*
>
> *These policies were adopted on 11/08/21.*

District Response:
Attached, you will find the draft policies provided to Emmett School District by the Idaho School Boards Association (ISBA) that were used in the development of the above-listed policies.

As standard practice, the Emmett School District Board of Trustees reviews ISBA's draft policy recommendations and makes any necessary modifications to align with local priorities and needs. The adopted policies replaced existing policies, which were rescinded.

Please note that ISBA policy recommendations are subject to regular updates. The versions we are providing represent the ISBA recommendations as they existed at the time of the policies' adoption in November 2021, not the current ISBA versions as of today. District policies undergo a steady progression of updates based on legislation. These particular policies continue to be those that were adopted in 2021

Please let me know If you have any questions or need additional clarification.

Sincerely,
Amanda Weers
