

This year we attempted to get responses with Parent Title I surveys passed out at EOY events with a drop box. Unfortunately, many parents just took them and did not return. We will attempt a different strategy next Spring. The provided surveys were scanned in and placed in Microsoft Copilot to provide the summary below.

Joseph Shanklin Elementary School

Title I Parent Survey Summary Report

School Year: 2025–2026

I. Purpose of Document

This report serves as official documentation of the annual Title I Parent Survey conducted at Joseph Shanklin Elementary School. The purpose of the survey is to collect parent feedback regarding school climate, communication, parent engagement, and program effectiveness, in compliance with Title I, Part A requirements.

II. Survey Administration

School: Joseph Shanklin Elementary School

Survey Type: Title I Parent and Family Engagement Survey

Distribution: Paper-based surveys

Languages Provided: English and Spanish to ensure accessibility for all families

Respondents: Parents/guardians of enrolled students

III. Summary of Quantitative Results (Items 1–22)

Overall, responses overwhelmingly indicated “Agree” across survey questions, with minimal or no “Disagree” responses noted.

School Climate: Parents feel welcomed, report their children are safe, and are comfortable visiting the school.

Parent Engagement: Parents report opportunities to be involved and participation in meetings and activities.

Communication: Parents receive clear communication in understandable language and have access to staff.

Academic Support: Parents report a positive learning environment and that academic needs are being met.

Parent Rights: Parents indicate awareness of the School-Parent Compact and their right to request teacher qualifications.

IV. Summary of Qualitative Data

Barriers: Transportation issues (no car, need a ride) and work schedules were the most common barriers.

Strengths: Strong teaching staff and students being happy and engaged.

Areas for Improvement: Desire for more activities for students.

Parent Fund Use: Interest in parent liaison support, resources for home learning, and improved communication.

V. Needs Assessment

Identified needs include addressing transportation barriers, offering flexible scheduling, increasing engagement activities, and improving communication about district initiatives.

VI. Action Steps

The school will explore virtual options, flexible meeting times, additional family engagement opportunities, and improved communication systems.

VII. Compliance Statement

Joseph Shanklin Elementary School is in compliance with Title I Parent and Family Engagement requirements. Survey results will guide updates to required documentation.

VIII. Documentation and Record Retention

Maintained documents include completed surveys, summaries, and updated engagement policies.

IX. Signatures
