This project encourages students to use their critical thinking skills and creativity, while also strengthening their sense of autonomy and commitment to lifelong learning.

Service Learning - Service learning is a yearly requirement for students at WLC, based on the belief that students should play an active role in their communities. Students must complete 6 hours of service per year for graduation. WLC's service learning component promotes respect and caring while building self-esteem and a connection to the community

COMPETENCY BASED GRADING

Beginning with the 2015-2016 school year, WLC implemented Competency-Based Grading as mandated by the State of New Hampshire Department of Education.

Report Cards are generated for S1 and S2/Y1 (S1 and S2 will contain Semester-Long Grades and Credits Earned).

Competency is defined as the ability of a student to demonstrate required content knowledge and skills for each course. The purpose of a competency-based grading system is to improve student achievement by focusing student learning on the essential skills and content necessary for each course and is based on a pattern of student work. The competency-based structure more accurately reflects a students' level of understanding. Each competency aligns with the standards as outlined in the Common Core State Standards and in other national and New Hampshire standards as they apply to a specific course.

Throughout each course students receive a letter grade which includes an embedded Competency-based grade.

Below shows how grades are calculated

S1 (Semester 1 Grade) + E1 (Exam Grade) = F1 (Final Grade for Semester 1)
S2 (Semester 2 Grade) + E2 (Exam Grade) = F2 (Final Grade for Semester 2)
YL=Yearlong Grade for YL Class = F1 (50%) + F2 (50%)

GRADUATE DISTINCTIONS

To recognize our graduating seniors, WLC will determine; Summa Cum Laude, Magna Cum Laude and Cum Laude as well as the positions of Senior Class Valedictorian and Salutatorian distinction. This information will be calculated two weeks after Semester 1 grades close. At this time credit and GPA will be awarded for both Semester 1 and Year Long courses. These results are to be absolute. This pertains to those students graduating with a WLC 24 credit diploma

Summa Cum Laude - GPA of 3.7+ (these graduates will be recognized)
Magna Cum Laude - GPA of 3.4-3.69
Cum Laude - GPA of 3.0-3.39

GPA Levels:

WLC uses a weighted grading scale.
