Saint Ignatius High School, which opened its doors September 6, 1886, is a Jesuit college-preparatory school. The school enrolls approximately 1400 young men who hail from 88 cities in an eight-county region. Located in close proximity to downtown Cleveland in the vibrant and energetic Ohio City neighborhood, the school occupies 23 acres and includes 20 buildings and 3 athletic fields. 50 percent of our students receive financial assistance through the school's financial aid program. The school has 113 faculty members, 94 percent of whom hold advanced degrees.

Academically, Saint Ignatius is a regional and state leader in National Merit finalists and/or Advanced Placement scholars. The Class of 2027 qualified 8 students as National Merit Semifinalists and 10 as Commended Students. We also had 258 students receive Advanced Placement scholar honors this year. 94 percent of Saint Ignatius students go on to four-year college programs at universities across the United States within one year of graduation.

In September 2009, the school was designated a Blue Ribbon school by the U.S. Department of Education. In 2016, the school was designated an AP Capstone Diploma school by the College Board.

As important as academics are, the spiritual program of the school is an essential component that sets Saint Ignatius apart from any other school in Northeast Ohio. While respecting all faith traditions, Saint Ignatius is a Catholic high school rooted in Jesuit spirituality. A four-year theology program, annual spiritual retreats, frequent liturgies, and opportunities for service to marginalized members of the community are mainstays. The **Suscipe Project**, a senior-year graduation requirement, is a summative reflection and presentation completed during the final semester. Students reflect on their four-year experience and their growth in the five pillars of the Graduate at Graduation: open to growth, intellectually competent, religious, loving, and committed to working for peace and justice in a presentation to faculty, staff, administrators, and Board members.

Mission Statement

Saint Ignatius High School, with its Catholic tradition rooted in the *Spiritual Exercises* of St. Ignatius Loyola, prepares young men for their adult lives by

- challenging them to academic excellence and the desire for life-long learning
- nurturing them to be open to growth, intellectually competent, religious, loving, and committed to work for peace and justice
- inspiring them to know, love, and serve Jesus Christ.
