FUNDRAISER UPDATE!

We are truly BLOWN AWAY by our amazing Panda students, families, friends, and community members who have supported our fundraiser. Whether your donation was big or small, **every single dollar makes** a difference and goes right back toward creating memorable experiences and opportunities for our students. We are so grateful for each and every one of you!

As many of you may not know, Providence Elementary made the transition from a PTA to a PTO last year. With that transition, we started this school year with \$0 in our PTO bank account...which what makes our Providence community even more incredible!

Tomorrow, Friday, October 2nd, is the **LAST DAY** of our Annual PTO Fundraiser! The Fundraiser link will remain open until **midnight Friday night**, so there is still time to get those final donations in!

Our last round of earned prizes will be handed out on **Monday, October 5th**. We will also be drawing the winner of our **ULTIMATE YES DAY** package, along with some other fun goodies for our students!

If your student earned the **Airbound Night or Limo Ride**, keep an eye out—more information, including additional details and waivers, will be coming soon!

From the bottom of our hearts, **THANK YOU** for supporting Providence Elementary PTO and our students. We are so excited to put these funds to work and continue making this school year full of fun experiences and memories for our Pandas!

MR. DAVIS

ALL ABOUT ME!

A Providence native, I have the unique privilege of teaching at the same school I attended as a child. I hold an Elementary Education degree from Utah State University (2019) and bring seven years of teaching experience to the classroom. Prior to teaching and school, I spent two years living and working in Northern France, where I became fluent in French. I loved working in the DLI program with my French colleagues. However, I am delighted to work in a traditional classroom environment.

Passionate about professional development, I am currently pursuing my Master's degree at USU and awaiting results for my National Board Certification this December.

When I'm not in the classroom, you can find me hiking and camping with my wife, cheering on USU Basketball, weight lifting, or coaching at Legends Boxing, where I've been training for five years.

It's been a pleasure teaching in Providence and I am always so grateful for the support we receive from the community. It really makes this one of the best teaching positions!

MRS. VALENTINE

ALL ABOUT ME!

My name is Brielle Valentine and I am a 2nd grade teacher at Providence Elementary! My biggest dream was to be a teacher and I am so excited for this school year. Outside of teaching I love traveling, being outdoors, and spending time with friends/family. One of my goals every year is to visit a place I've never been. I grew up playing soccer and basketball and still get pretty competitive with any sports/games. I look forward to getting to know the community in Providence!
