SUPERINTENDENT'S REPORT

To: Homer CCSD 33C Board of Education
From: Craig Schoppe, Superintendent
Date: September 29, 2026
Subject: Report

Congratulations!

Congratulations to the Homer Golf Team members who qualified for the IESA state golf tournament earlier this month at Metamora Fields Golf Course. The boys team consisted of Nate Nenoff, Connor Patera and Evan Turcich. Brielle Downer, 5th grade student, qualified for the girl's team and finished 4th in state! Congratulations to our student athletes and coaches Gail Mickelson, David Rush and Andrew Dole on a successful season!

IASB Recognition

The Homer 33C Board of Education has been recognized by the Illinois Association of School Boards (IASB) for its exceptional governance practices. Homer 33C was one of 53 Illinois school districts to earn the School Board Governance Recognition honor for their effective governance behaviors and their commitment toward obtaining the knowledge and skills necessary to effectively lead the district.

I am proud that our Board has earned this honor. Our board of education is constantly working to improve its governance and leadership skills for our district, the students, and the entire community. The completion of our 5-year district strategic plan is an example of how the Board engages with the community on issues of importance. They do an outstanding job of monitoring the district's performance to ensure that we are meeting the goals that align with our mission.

This board has shown its commitment to the district, and ultimately the students, by continually improving its leadership skills and knowledge. To be a successful board and provide a high-quality educational experience for our students, it requires a lot of time and effort and a commitment to continual learning. There is a misconception that the work of the school board starts and stops at our regular board meetings. The majority of our work happens outside meetings: studying the issues, communicating with the community, advocating on behalf of our district.

Congratulations and thank you Homer 33C School Board Members!
