As of 2026 school year, the Marysville Exempted Village School District no longer utilizes the same attendance protocol. There is a new way to report your students absences, and there are a couple of ways that a parent can access it.

Helpful Hints:

- If you have more than one student please make sure you are on the correct students PowerHub- You can change your student on the upper left hand side of your PowerHub
- Please be sure to have your student's school ID number available when setting up your account. You can access your child's 5-digit student ID number via your PowerSchool Parent Portal account.
- A PaySchools Central app on the registration page is available as well for your convenience.

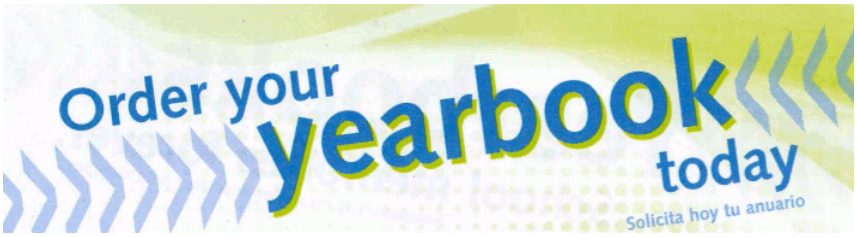

If your student is going to be absent from school, please contact the **attendance reporting line** at **(855) 876-7974** and follow the automated prompts.

You can also report your student's absence online by going to your **PowerSchool Parent Account and clicking on the MyPowerHub** tab where the **SafeArrival Link** will allow you to report an absence for your student.

Creekview Musical Auditions

October 6 (6th Gr.), 7 (5th Gr.), 9 (callbacks)

Creekview students & families, it's time once again for the musical auditions! Creekview Drama is excited to present *"How to Train Your Dragon Jr."* as the 2026-2027 production 🦎🎶. This show was recently released in the summer of 2026, and it features Hiccup, son of the great chief and dragon slayer, Stoick! Hiccup doesn't quite measure up to what the village of Berk would consider to be a great viking, but through perseverance and an acceptance of who he was made to be, he realizes it's up to him to unite dragons & vikings alongside his fellow recruits!

For current 6th grade students, your audition date is on Tuesday, October 6th from 3:15-8:00pm, and 5th grade students have auditions on Wednesday, October 7th from 3:15-8:00pm. We will teach you a song, choreography, and read through lines all from the show; no need to prepare anything. Grab a copy of the audition form, fill it out for your student, and have them **keep it until their audition night**! Callbacks, if needed, are on Friday, October 9th from 3:15-6:00pm; Mr. A will personally request your student through a phone call or email by Thursday evening, if they're needed Friday. Otherwise, the **cast list will be posted on Saturday, October 10th by 9:00am** on Schoology!

Marysville Youth Mobility & Safety Guide:

Keeping our students safe is a shared community priority. In partnership with the Marysville Police Division, we are sharing the official **Marysville Youth Mobility & Safety Guide** to help families understand key local laws and promote safe riding habits.

Under Marysville city regulations, parents and guardians are legally responsible for ensuring their children understand and follow local mobility laws. Please review these critical regulations with your student:

- **Mandatory Helmet Laws:** Helmets are legally required for all riders under 16 (and under 18 for mopeds, EPAMDs, or Class 3 E-bikes).
- **Speed & Night Equipment Limits:** Sidewalk riding is capped at 10 mph. Riding after dark requires a white front headlight (visible up to 500 ft) and a red rear light or reflector.
- **Uptown "No Ride" Zone:** Bicycles, e-bikes, scooters, skateboards, and rollerblades are strictly prohibited on sidewalks within one block of 5th & Main Street.
- **E-Bike Sidewalk Rules:** Class 1 and Class 2 E-bikes must have their motors turned completely off if operated on any sidewalk.

Thank you for discussing these legally binding safety rules with your children so we can keep our streets and sidewalks safe for everyone.
