Ways to Apply

Common App

You can apply to multiple colleges using one common application

You MUST connect your account w/Schoollinks
commonapp.org

College Website

You can apply to an individual college via their website

Some schools don't use Common App

Considerations

If you are applying to schools with competitive admissions, here is what is considered:

- GPA and Strength of Transcript
- Test Scores (if submitting)
- Essay
- Work Experience or Extracurriculars
- Leadership and volunteer experience
- Recommendations (if using)
- Demonstrated Interest

Letters of Recommendation

Things to consider:

1. Are letters of recommendation required? If so, how many?
2. Pick someone familiar with your work ethic and character (If more than one required, choose at least one teacher in a subject area similar to your major)
3. Always ask IN PERSON FIRST
4. Request a letter in Schoolinks and allow plenty of time (at least two weeks)
5. Outside Recommenders are allowed (coach, manager, youth pastor, etc.) THESE GET REQUESTED IN COMMON APP

What should you write about?

- Something that matters to you
- Something that makes you uniquely you!
- Challenges and Strengths
- Something that you have overcome

Essays

Let's talk about AI...

Have someone PROOFREAD it!!!

Again, allow plenty of time if asking a teacher to proofread it!

4

Set up Schoollinks and Send Documents

Application Documents to Send to the College

- HS Transcript (request in Schoolinks, sent by high school)
- CCP Transcript (request from college, sent directly from college)
- Test Scores (if sending, **MUST** Send through test agency website)
