

WINGS WEEKLY

ALBUQUERQUE AVIATION ACADEMY NEWSLETTER

OCTOBER 1, 2026

hello high SCHOOL

Attention High School Students and Families!!!

On Thursday, **October 8th**, we will administer the PSAT to **ALL** 10th graders (A and B Cohorts will need to attend this day).

High school students who are not testing—this includes all 9th graders, 11th graders, and all 12th graders—will **not** have in-person classes on campus that day. The PSAT will last only through the morning (unless students have extended times in their IEP), and students who are testing may be signed out, picked up, or dismissed with parent approval once their exam is complete. Students who ride the bus will remain on their regular schedule; study halls and other activities will be available in the afternoon after testing concludes. All students who are not testing are expected to continue their schoolwork on Edgenuity from home, as this will still count as a regular school day.

Middle school students will remain on their regular schedule.

This week's progress goal is 52% by Friday.

LAST DAY OF THE FIRST NINE WEEKS FRIDAY OCTOBER 2
