A MESSAGE FROM DR. MACH

Dr. Kane Mach, Principal

Hard to believe it’s already October! My oldest daughter started Kindergarten this year, and this week she had her very first field trip to the apple orchard! It was comforting to see that the classic field trip is still going strong, I remember going on the same kind of trip almost 30 years ago! Does anyone else find something comforting and nostalgic about traditions that stand the test of time? To make the day even more special, it was her first time riding a big yellow school bus, and I had the opportunity to surprise her as the bus driver! The look on her face was priceless. What a meaningful opportunity to spend some extra time with her while she still wants to hang out with Dad! Now the real question is... will I still be “cool” when she’s a teenager?

Thank you for an incredible start to the school year at AHS! The vibe is overwhelmingly positive, lots of learning is taking place, and it’s a true testament to the awesome community we have here in Ashwaubenon! This week marked Homecoming 2026! What a fun, positive, and energetic way to kick off October and bring everyone together!

We are officially half way through the first term. This week students had their second Monday bi-weekly PAWS check-in with their homeroom teacher. During this time, students completed an Academic, Attendance, and Belonging reflection sheet and had a mini-conference with their PAWS teacher. This is something we will do every two weeks and is a great conversation starter for you and your child. We encourage you to talk with them about their attendance, grades, and feelings of connectedness to school as we continue to build on this great start to the year!

If you haven’t already downloaded the PowerSchool Parent App, please do so! You can view your child’s grades and attendance in real time, helping you stay connected to their progress throughout the school year. It is important to catch if your child is struggling with attendance, academics, or social concerns early so that we can intervene quickly as a parent - school partnership!

As always, if there is ever anything we can do to better support you, your child, or your family, please do not hesitate to reach out to us!

Go Jaguars!

It is the belief of the Ashwaubenon School District that effective communication is one of the cornerstones of a quality learning community. Newsletters will be produced and distributed electronically regularly during the course of the year to keep families informed on a wide range of items. Items included in the newsletter will range from announcements, updates, revised calendar dates, notes from AHS departments, along with an occasional article or synopsis of some learning strategies. If there are things that you would like to see published, please let us know by calling (920) 492-2950.

Thank you!
