Councils**

District Committees On Pause for 2026-27

With plans to continue the work outside of the committee

- K-4 Literacy Committee
- What Success in Schools Means Committee
- Technology Committee
- Assessment & Feedback Committee
- Athletic Advisory Committee

****NOTE**:** This is a required yearly committee by NYSED.

K-4 Literacy Committee

Plans to Continue the Work Outside of the Committee

- Develop, refine, and communicate K-4 literacy vision and curriculum overview
- Select additional curriculum resources for grades 3-4 reading and writing
- Plan to facilitate curriculum review and selection this fall/winter for grades 3-4

*Pause this district committee for 2026-2027

What Success in Schools Means Committee

Plans to Continue the Work Outside of the Committee

- Report on measurable student achievement regularly (as outlined in the District Goals) to bridge the perceived gap between multiple measures of success and community expectations

*Pause this district committee for 2026-2027

Technology Committee

Plans to Continue the Work Outside of the Committee

- Community Advisory Committee on Technology
- Evaluating and refining our multi-phased "Tech Reset"

*Pause this district committee for 2026-2027

Assessment & Feedback Committee

Plans to Continue the Work Outside of the Committee

- Developing common formative assessments across grade levels and content areas
- Tracking the progress on NY Inspires to inform our planning based on pending State requirements/changes regarding assessment

*Pause this district committee for 2026-2027

Athletic Advisory Committee

Plans to Continue the Work Outside of the Committee

- To be determined with consideration to Bari's role as an interim director and her focus areas/priorities.

*Pause this district committee for 2026-2027

Health and Safety Committee

Committee Focus in 2026-27

- Completing Phase II Capital Project Work
- Upcoming Energy Performance Contract
- Addressing any concerns shared by staff or community members regarding health and safety in our schools

****NOTE**:** This is a required yearly committee by NYSED.

School Counseling Advisory Committee

Committee Focus in 2026-27

- Expand the scope and number of meetings
- Further communication about post-secondary planning to families
- Revise and update comprehensive K - 12 School Counseling Plan
- Expand analysis of data, including survey data

****NOTE**:** This is a required yearly committee by NYSED.

Wellness and Social Emotional Learning Committee

Committee Focus in 2026-27

- Continue the work of the committee in identifying new opportunities for family engagement and focusing on student well-being.
- Build on structures to support parent learning and engagement that we now have in place including:
 - Family Resource Center
 - Parent Universities
 - Newcomers to Croton Event

****NOTE**:** This is a required yearly committee by NYSED.

Building Planning Councils

Committee Focus in 2026-27

- Increase number of meetings per year
- Solicit broader community involvement
- Collaboration with district administration on topics/facilitation
- Generate content for community impressions survey
- Gather feedback on topics for community conversations/town halls

Next Steps:

- Send out a district communication explaining which committees are running and not this year and soliciting volunteers for those that are running, including BPCs
