PARENT-TEACHER CONFERENCES

Teacher Reacher Opens for Conference Scheduling on Tuesday, September 29th at 8:05 PM

Dear Parents/Guardians:

This year you will have two options to meet with your child's teachers and discuss his/her progress. The first will be an evening event on **Thursday, October 15, 2026 from 6:30 PM to 9:30 PM**. The second will be a day event on **Friday, October 16, 2026 from 7:30 AM to 3:00 PM**. Please note that school will not be in session for students on Friday, October 16, 2026.

We will once again be using the online system, *TeacherReacher* for parents to make conference appointments. The site has been updated to include a language choice for ease of use. The drop down to change the language can be found at the top of the home page. Please [Click Here](#) to register an account with Teacher Reacher and to schedule your conference appointments. Many of you are already registered users; if not, the registration process should take approximately 5 to 15 minutes. **If you have previously registered for conferences your account is still active, however, you will need to re-enter your child's name.** It is strongly recommended that you set up your Parent Account as soon as possible. The step-by-step instructions on how to use *TeacherReacher* can be found by clicking [HERE](#).

You may sign up for a total of 7 conferences per student. There is no longer a distinction between core and elective classes for conference scheduling. Be sure to consider travel time between appointments; some teachers are in classrooms spread across the building on these days. The window for reserving conference times will **begin on Tuesday, September 29th at 8:05 p.m. and will close on Friday, October 9th at 11:55 p.m.** Click [HERE](#) to login to *TeacherReacher* and schedule appointments.

Due to time constraints, teachers will not be able to honor any unscheduled appointments. **Scheduled appointments with teachers will be strictly followed.** If you are late or miss your appointment, please call the Main Office at 792-4007 to schedule a phone conference or a meeting at a later date.

If you have any specific questions about the conference registration system or general questions regarding parent-teacher conferences, please call the main office (516) 792-4007.

Sincerely,

Al Bauer, Ed.D.
Interim Principal
