2024-2025 School Accountability Report Card

(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2025-26 School Description and Mission Statement

Central High School is the continuation school for Morgan Hill Unified School District (MHUSD) located at the Loretta Bonfante Johnson Education Center in the northern part of Morgan Hill. The site hosts many alternative programs that provide viable alternate educational opportunities for academic success.

The Loretta Bonfante Johnson Education Center is home to the Central High School campus. Central is an alternative education hub for the following additional programs: a Post-Secondary Program that supports life skills for special needs young adults ages 18 through 21; the District-wide Workability Program; the District-Wide Independent Study Program (K-12); and the Therapeutic Day Class for secondary students, in addition to a traditional continuation credit recovery program.

These alternate programs serve the MHUSD and are available to students from the two comprehensive high schools who need alternative education options or credit recovery. Site staff provides students with differentiated instruction within a smaller campus, emphasizing student personal growth, career options, and academic success.

School staff and educational partners collaborate to continuously review and revise the school's vision and mission to support and represent our school community.

Vision

Central High will create an environment of Accountability, Compassion, Courage, and Hope.

Mission

Central High School's mission is to provide a rigorous and flexible education in a safe, supportive environment where every student is respected and valued. In partnership with families and the community, we are committed to fostering academic achievement and social-emotional growth, helping students recover credits, build resilience, and develop the skills needed to graduate prepared for college, career, and life.

Central High School provides students with academic counseling services. Our full-time guidance counselor provides small group and 1:1 meetings with students and families to review their academic and post-high school goals. California Student

2025-26 School Description and Mission Statement

Opportunity and Access Program. (Cal-SOAP) provides services at Central. The Cal-SOAP counselor provides students with guidance through the college application process, they also support students and families in completing the Free Application for Federal Student Aid and also offer field trips to visit a variety of colleges. The Coordinated Advocacy and Resources for Education (CARE) department provides a student support specialist twice weekly to support students who qualify as unhoused or foster youth. Central also has a Wellness Center offering students a safe space for counseling services.

Current staff are credentialed, highly qualified, and certified in Cross-cultural Language and Academic Development (CLAD) or Specially Designed Academic Instruction in English (SDAIE). A district nurse and psychologist both work as needed on-site. Students with Individual Education Plans (IEPs) are supported by the Specialized Academic Support (SAI) teacher who works with school staff to support students with IEPs. Students in this program may require a resource class or meet with the resource teacher for general support. Parents are encouraged to participate in our School Site Council (SSC) and English Language Advisory Committee (ELAC).

Community partnerships play an important role in student support. The Rotary and Kiwanis clubs provide student leadership opportunities with the Interact club weekly. Students are encouraged to participate in Pro Com Sports which provides students with the opportunity to participate in Softball, Football, and Basketball contests throughout the school year.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

2024-25 Career Technical Education Programs
CTE program offered at Central Continuation High School: -Art/CTE CTE courses satisfy graduation requirements and help students to gain skills in these areas. Industry professionals volunteer on advisory committees and provide lessons as guest instructors throughout the year. Due to being a credit recovery program, as well as offering different courses from the comprehensive sites, the student may complete their CTE pathway prior to enrolling at Central. Students enrolled at Central are provided with the opportunity to graduate with their cohort. Students are eligible for the transitional diploma pathway which eliminates 20 elective credits to ensure students complete the core courses for diploma requirements.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Parents are welcome to join our Advisory Committee, School Site Council, ELAC, and Parent Ad Hoc group. The school’s website and Parent Square updates keep parents informed of school activities.
The school hosts a variety of events such as Back-to-School Night in the Fall and Open House in the Spring, student recognition ceremonies as well as Orientations for all incoming students and families throughout the year (every 6 weeks).

2025-26 Opportunities for Parental Involvement

Aeries parent portal training is provided to each guardian and trainings are held throughout the year or at any time as requested in person or via Zoom.

Interested parents/ guardians may contact the Principal, who can be reached at (408) 201- 6300 ext. 42102, or our Community Liaison (Spanish) at 408-201-6300.

2025-26 School Safety Plan

The School Site Council reviews and updates the school’s comprehensive safety plan yearly. The School Site Council reviewed the updated plan in September 2024. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. The plan is available in the front office for parents to view. The school does regular drills with the Fire Department each year for fire drills as well as the Morgan Hill Police Department for the Run Hide and Defend drill. The plan is shared with all staff annually during a school-wide staff meeting held most recently in September of 2024. We hold training for staff on emergency preparedness throughout the school year.

Fiscal Year 2024-25 Types of Services Funded

All Local, State, and Federal funding is directly linked to the district goals in the Local Control and Accountability Plan (LCAP). There has been additional funding provided to support our English Learners, as well as students who are socio-economic disadvantaged, and foster youth. Funding has provided additional support for English Learners and the opportunity to provide additional online opportunities for those needing credit recovery as well as after-school programs to support tutoring or additional course support.

Professional Development

Professional Development is delivered throughout the year. District staff development days are held before and during the semester, as well as throughout the school year. The school site staff meetings and summer or after-school training are devoted to many subjects such as aligning curriculum to state standards. Additionally, in terms of professional development, our teachers continue to experience a combination of district-level initiatives and site-specific initiatives. The focus areas are supporting English Learners and all students in reading; and including social-emotional and behavioral support for all students.

Ongoing training is held to support English learners and students who are credit-deficient. Staff utilizes Google Classroom to support digital learning as all students are issued or have access to Chromebooks. Additionally, staff is implementing Positive Behavior Intervention Systems (PBIS). The district has provided a coach for Constructing Meaning and PBIS to assist in successful implementation. The school site is focusing on reading and writing across content areas and has been participating in site-led professional development surrounding this area of student need. These programs were agreed upon as areas of focus based on teachers' formal and informal assessments regarding student needs/areas of growth.

A teacher lead, as well as site administration, has been attending the Professional Learning Team PD since the summer of 2022. The site team is working to develop a cycle of inquiry processes and practices during PLT time. The Leadership team attends monthly professional development to guide the PLT time at the site level.

This table displays the number of school days dedicated to staff development and continuous improvement.
