

Life-changing careers

Discover Mayo Clinic: Lab Explorers

ATTENTION 9-12 GRADE STUDENTS!

Ready to explore the world of laboratory science? At **Discover Mayo Clinic: Lab Explorers**, you'll get hands-on experience with real lab activities and meet Mayo Clinic professionals who are making an impact every day. Ask questions, get career advice, and see firsthand what it's like to work in this exciting, high-demand field!

Featured careers include Phlebotomy, Histology, Lab Assistant/Lab Processing Assistant, and Medical and Clinical Laboratory Scientist. **Free event open to all 9th-12th grade students!**

Saturday, November 14
9-12:30pm
Mayo Clinic Rochester Campus
Mayo Building - Judd Hall Auditorium

Scan the QR code or click **HERE** to register.

Additional event details will be sent closer to the event date. Questions? Reach out to Michelfelder.Liana@Mayo.edu
