WELLNESS CORNER

Hi JKSIA families! We're excited to introduce our new school counseling team. We have a downstairs elementary (K-4) school counselor, but also now have an upstairs (5-8) school counselor as well as a Crossroads counselor here on Thursday and Friday! Read on to learn about all three and how to access them:

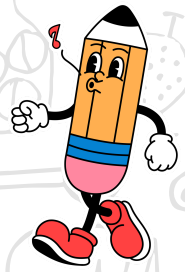

MICHELLE MANNING
AKA "MS. MICHELLE"

Happy new school year! My name is Miss Michelle and I am the grades K-4, downstairs school counselor. The first thing anyone should know about me is: If I could marry a chocolate donut, I probably would! Chocolate makes me that happy. But not as happy as our student body. We are so excited to support, encourage, and enrich success for our students on every level. Should you need to reach me, here is a referral form to do so: <https://forms.gle/9X838dFdRIPuwPym7> You can also email me at michelle.manning@aps.edu or call at 505 299 4483 ex. 31505.

WELLNESS CORNER

My name is Zac Craig, and I'm so excited to be at Janet Kahn! I'm going into my 11th year as a school counselor and am so excited to be working at my neighborhood school! I am an avid D&D player, love to watch the NFL in the fall (go Cowboys!) and am doing an Ed.D. program in education policy at American University! If you'd like to schedule a time to talk with me or have any concerns for your child's JKSIA experience, you can fill out this form:

<https://forms.gle/9X838dFdR1PuwPym7> You can also email me at zachary.craig@aps.edu or call at 505 299 4483 ex. 31550. I'm so excited to collaborate with the PTA this year and get to know all of our families - it truly takes a village to raise a child so two-way communication, while keeping confidentiality is key!

MR. CRAIG

LUKE ARNOLD
DR. LUKE

Hello. I am Dr. Luke, the Crossroads Counselor. Crossroads is a substance misuse prevention and intervention program. I am here to help students and families learn more about substance misuse and making healthy and safe choices. I am at Janet Kahn on Thursdays and Fridays. I like coffee, trail mix, reading, and hiking. If you'd like to reach out about your child, you can fill out this form <https://forms.gle/R1psQML6vBFmpxoEA> You can also email me at luke.arnold@aps.edu or call at 505 299 4483 ex. 31577.
