Fri. Nov. 20th: Early Dismissal at 11:40
Wed. Nov. 25th: Early Dismissal at 11:40
Nov. 26th-30: Thanksgiving Break

Ship News & Announcements

It's hard to believe that we are already stepping into October. The school year sure is moving quickly and we've even started to experience some of the cool fall temperatures. I'm so proud of the way our students have seemed to settle in their new routines.

October seems to be shaping up as one of our busier months. Between the scheduled visit from PA Friends of Agriculture's Mobile Ag Lab and different fall activities and celebrations, our school calendar is packed with opportunities for our student to continue to learn and grow both academically and socially.

In addition, parent-teacher conferences are just around the corner. Sign ups have opened so please be sure to schedule a time to talk with your child's teacher. Parents can sign up through the QR code found in the newsletter, the link sent through Parent Square, or by going to Oakview's webpage.

We truly value the partnership we share with our families. Your support makes a meaningful difference in our students' school experience. Whether you're talking with your child about their day, supporting learning at home, attending school events, communicating with teachers, or volunteering, every effort helps. Thank you for being an important part of our Oakview family!

Sincerely,

Josh Stonebraker
Principal

September's Mystery Mates

Congratulations to the following students who have been charted as this month's *Mystery Mate Award* honorees! Nominated by their homeroom captains, these outstanding crew members stayed true to the *Sailor Code*—showing up shipshape and ready to sail, treating others with respect, navigating safely, and keeping a positive wind in their sails all month long. Well done, mates!

Kindergarten: Annora Hanna, Wendy Hanson, Kacey Reed
1st Grade: Erin Gilliland, Blakelee Mullen, Brie Philson
2nd Grade: Calvin Barbour, Tucker Reynolds, Makayla Riddle

3rd Grade: Benjamin Armstrong, Carson Jones, Chloe Murray
4th Grade: Vera Brocklehurst, Emmy Miller, Kambria Morgan
5th Grade: Madison Alexander, David Creekpaum, Elliana Shook

2026-27

ANNUAL TITLE I MEETING

October 5th @ 6:45 pm

This meeting will inform parents of the school's participation in the Title I program and the requirement, as well as their right to be involved in their child's education.

All parents, families, guardians, and community members are welcomed to attend.

Please feel free to join the monthly PEP meeting immediately afterwards!

OAKVIEW ELEMENTARY

Mobile Ag Ed Science Lab to Visit Oakview!

Oakview Elementary is thrilled to welcome the Mobile Agriculture Education Science Lab to our school from October 19th through October 22nd! This 40-foot, state-of-the-art traveling classroom brings science, technology, engineering, and math (STEM) directly to our school, and all students will have the opportunity to visit the lab during the week. Led by a certified science teacher, our students will step into a mobile laboratory to explore how science connects to agriculture, food, and the environment. We can't wait to watch our students explore, discover, and learn how agriculture shapes their everyday lives.

Attendance Matter

Research shows that regular school attendance is one of the most important factors in student achievement. Every missed day is a lost opportunity for your child to learn.

Consider this:

When a student misses just 2 days a month:

- They will miss 20 school days a year, which equates to:
 - 30 hours of math instruction
 - 60 hours of ELA instruction
 - 1 year of school by graduation

Let's set a goal for our students to be here all day, every day when they are not sick.

Oakview's Average Daily Attendance Rate for:

September 2026

96%

That's fantastic! Keep it up Oakview! We love having you here each day.

Classroom Halloween Parties

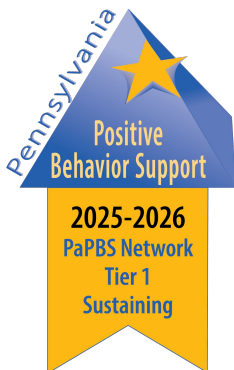

Parent Teacher Conferences

Oakview Elementary School will be holding parent-teacher conferences after school on the Thursday, November 5th from 3:20 - 6:00 pm and on Friday, November 6th from 8:00 am - 3:00 pm.

To schedule a conference, please scan the QR code below. This will take you to a Google Doc document where you will select your student's teacher and follow the link to schedule a time.

Thank you in advance for your support and cooperation.

Great News for Oakview Elementary!

We are thrilled to announce that our school has been recognized by the Pennsylvania Positive Behavior Support (PaPBS) Network for implementing School-Wide Positive Behavior Interventions and Supports (SWPBIS) with fidelity during the 2025-2026 school year.

Thank you to our entire school community for your ongoing commitment to creating a safe, positive, and supportive learning environment for every child!
