

BOARD OF TRUSTEES
HUMBOLDT COUNTY SCHOOL DISTRICT

POLICY 5110

PUPILS

STUDENT DRESS

The purpose of the student dress code is to encourage students to dress for “success” and come to school properly prepared for participating in the educational process

The Board recognizes that dress and grooming are individual and personal matters. The primary responsibility for appropriate dress and grooming rests with the student and the student's parents or guardians whose responsibility it is to see that their children attend school attired and groomed in a manner conducive to maintaining a learning environment.

The dress and grooming of students must not present potential health or safety problems or cause distraction and/or disruption in the school setting. To this end, the school district reserves the right to insist that the dress and grooming of all students be within the limits of accepted community standards. School officials have the professional responsibility and the authority to require students to change their dress and/or grooming to adhere to these requirements.

In the interest of the health, safety, cleanliness and welfare of all students in Humboldt County schools, and in an attempt to provide guidance to staff members who need to enforce appropriate dress and grooming, the Administration has developed necessary regulations for these guidelines. Handbooks and/or newsletters prepared at each school level (elementary, middle or high) shall express specific requirements and prohibitions
