SCHOOL ATTENDANCE MADE SIMPLE

HOW TO REPORT STUDENT ABSENCES & APPOINTMENTS

APPLETON NORTH HIGH SCHOOL

ABSENCE PROCEDURES

To report an absence, a parent or legal guardian:

- Call the North Attendance Office at (920) 852-5405. Press 1 for Attendance, then **Press 1 to report an illness or Press 2 for appointments and other absences.** Please call as early as possible on the day of the absence.
- If leaving a message, please speak slowly and clearly. Include the **student's full name (spell the last name)**, grade, and reason for the absence to ensure we record the correct information.
- Press 7 for a Hmong interpreter or Press 8 for a Spanish interpreter. Please leave a message, and an interpreter will return your call.
- Messages are checked continually throughout the day.

The fastest way to report an absence is through the Infinite Campus Parent Portal. Submit an **Absence Request** to notify the school in advance. Learn more in the Portal!

TARDY PROCEDURES

School starts at 7:55 AM daily

- 1 A warning bell will ring at 7:45 AM daily notifying students that they have 10 minutes to get to their class.
- 2 If a student arrives after the 7:55 AM bell, they must sign in through the Commons door, whether excused or tardy. After 8:10 AM, all check-ins must be completed in the Main Office.
- 3 After a student has 5 tardies in a semester, they will receive a detention.

ILLNESS (ABSENCE FOR THE ENTIRE DAY)

All student illnesses must be called in advance to the Attendance Office by a parent or legal guardian at (920) 852-5405. Press 1 for Attendance, then **Press 1** for Illness.

Report illness absences through the **Campus Parent Portal** by submitting an **Absence Request**. Learn more in the Portal!

HEALTH ROOM & ILLNESS (LOCATED IN STUDENT SERVICES)

If your student becomes ill during the school day, they should report to the Health Room in Student Services.

If your student contacts you directly, please ask them to go to the Health Room first. Once evaluated by the nurse, they may call a parent/guardian to discuss next steps.

Following this process helps avoid confusion and delays for families and office staff.

APPOINTMENTS (LEAVING DURING SCHOOL DAY)

All student appointments must be called in advance to the Attendance Office by a parent or legal guardian at (920) 852-5405. Press 1 for Attendance, then **Press 2** for Appointments or Other Absences.

- Once the parental call has been made to excuse the student, they can notify the teacher of the appointment.
- The student **MUST** sign-out in the Main Office upon leaving the building.
- Upon returning to school, the student must sign back in the Main Office. Parents **DO NOT** need to come in when picking up or dropping off your student.
- Freshman leaving school for Lunch Hour must have a parent call in or come in the Main Office for pick up to be excused.

If your student needs to leave school and you are unable to call ahead, please **Press 3** to speak directly with Student Services. Leaving a voicemail may delay the checkout process.

Students are responsible for knowing their appointment times and reporting to the Main Office when it is time to leave. To avoid disrupting instruction, we do not call students out of class unless it is an emergency.

PLEASE NOTE: A provider's note is required for medical or dental appointments and any extended absences due to illness.

ADVANCED ABSENCES (PARENT REQUEST)

- A parent/guardian may request that a student be excused from school attendance prior to an absence occurring.
- The student may be excused by the parent or guardian under this provision for not more than 10 days in the school year.

The fastest way to report an upcoming absence is through the Infinite Campus Parent Portal. Submit an **Absence Request** to notify the school in advance. Learn more in the Portal!

ATTEND TODAY, ACHIEVE TOMORROW!

MEDICATIONS @ SCHOOL

All medications administered by school staff are only available to students during school hours (7:30 AM to 3:30 PM).

Medications should be administered at home whenever possible. Parents/guardians are urged to consult with the prescribed practitioner to determine if medications can be scheduled outside school hours. In the event that this is not possible, designated school staff will administer medication according to District policy.

PRESCRIPTION MEDICATION

- Complete the Medication Consent Form**
A current Medication Consent Form, signed by both the parent/guardian and prescribing provider, must be on file at school.
- Provide the medication**
Send the medication in its original pharmacy-labeled container. The label must match the consent form, and only the amount needed at school should be sent.

Submit updates if the prescription changes

If the medication dosage or instructions change, provide a new Medication Consent Form and an updated pharmacy-labeled container.

Per the AASD medication policy, non-FDA-approved medications cannot be administered.

AASD MEDICATION FORMS
Forms are available from the school office or the AASD website

NON-PRESCRIPTION MEDICATION (OVER-THE-COUNTER)

The parent/guardian must complete a Medication Consent Form. Medication must be in its original manufacturer's packaging and labeled with the student's name. Medication in other containers (such as plastic bags) will not be accepted.

SELF-MEDICATION

Students are discouraged from carrying and self-administering medication. If a parent/guardian requests this, they must contact the school nurse to discuss the request and complete the required form.

Absent Request

Parents can use this feature instead of calling the school office to report an absence.
