Official Statement

Today, October 1, 2026, at approximately 11:30am, the fire alarm at Smyrna High School sounded prompting all students and staff to evacuate.

Citizen's Hose and Clayton Fire companies responded promptly. Our local first responders cleared the building and no fire was detected. The alarm was determined to have been caused by a technical issue.

Staff and students returned to the building shortly after and Smyrna High School resumed the normal schedule.

Please know all students and staff are safe. We thank local first responders for their quick response, professionalism, and expertise.

School and maintenance staff are working to address the technical issue. We will provide additional information if needed.

Thank you for your continued support.
